(By Lou Gibb)

The Jarvis Juveniles clinched a play-off berth by defeating Selkirk 12-0 on Saturday. It was a sweet revenge for the locals and hard to take for Selkirk. George Peters had a field day at the expense of the Selkirk batsmen. He compiled the amazing record of fifteen strikeouts out of a possible twenty-one. He was very stingy with hits, allowing but two and one of them being of the scratchy variety. The local infield had six chances to handle and the outfield none.

McFarlane started for Selkirk but he was replaced by Hoover in the fifth. Hoover fared very little better, allowing five runs in three innings. One of the highlights of the game was Malcolm Peacocks' unassisted double play. In the sixth, Moerschke got the first hit, a line drive over third base. McFarlane then drove a hard line drive into Peacock's mitt and he tagged Moerschke trying to get back to first.

George Peters might have broken Cliff Walker's record of nineteen strike-outs had the game gone the full nine innings. It stands to reason that if he could strike out the rest in seven innings, his average would give him five more in two more innings. Up until the sixth he had not allowed a hit. But he came up somewhat in the seventh and they connected for two safe singles.

In the second, fourth and fifth innings, Peters struck out the first three men to bat. In the fourth he only pitched the ball nine times to

It was a hard blow for Don McFarlane, Selkirk's regular pitcher to be taken out of the box. McFarlane has won four consecutive games before, but the Jarvis batters got to him with a vengeance from the first innings on.

Rain has sort of held up the Chur league schedule this week. On Saturday night it was impossible for the St. Ann and St. Paul game to be completed. On Tuesday night a sudden shower sent the Presbyterians and St. Ann's teams off the field at the end of the first half of the third innings.

From information obtainable at the present time it is the intention of the executive to have these two games played next week. Possibly one on Wednesday and one on Friday night. St. Pauls meet the United team on Saturday night. This week and a win will mean a great deal to both teams. On the following Tuesday night Knox meet St. Paul.

The public are sure finding increased interest in the church league. On Tuesday night, rain and all over town five automobiles circled the park and the bleachers were also well filled.

Don't fail to see the juveniles meet their most feared rivals on Saturday afternoon when they meet Selkirk in a return fixture at the local diamond. Selkirk are undoubtedly burning under their shut-out streak and they are likely to do everything in their power to turn the tables on the locals.

MAPLE LEAFS IN FIGHT FOR PENNANT

With six out of the eight clubs within five games of each other, the International Baseball League race is one of the closest in the history of the game. Four out of the eight clubs can qualify for the play-off series at this time.

The Boone has his Toronto Maple Leafs right in the thick of the play-off argument and recently ran up a winning streak of seven games, taking two from Rochester and a five game series that sent Buffalo tumbling down to six place.

The Albany Senators with the famous "Alabama" fight playing center field will oppose the Maple Leafs in a four game series with Tuesday evening, July 8 and 9. On Wednesday, July 10, two games will be played in the afternoon. The Bears, still a real threat in the league race play on Thursday, July 11 and Friday, evening, July 12, and two games on Saturday afternoon, July 13. The Friday night game is Orangeburg's Day is the one to watch. The Sports News "Copy (Herald's News) will be presented to Manager Joe Boone for being voted the most valuable player to his team in the league.

White Sox and around player who flourished at second base while Joe Morrison pitched last season. He won the Sporting News, having won the popular player award during his stay in the Texas League last season.

Baltimore Orioles with their home run hitters come to Toronto for night games on Monday, July 15 and Tuesday July 16, with a daytime double-header scheduled for Wednesday, July 17. To conclude the home stay at Maple Leaf Stadium, the Fleet street in Toronto, night games will be played with Montreal on Thursday, July 18 and Friday evening, July 19 with two games on Saturday, July 20. Make up a party of friends and visit the Toronto Maple Leafs. Cheer the Boone and the lads.

Man's stomach: What the bride uses to practice on while learning to cook.

A flea and an elephant walked side by side over a bridge. Said the flea to the elephant, after they had crossed: "Boy, we sure did shake that thing."

The new antiseptic reported from the Ford Hospital is described as a medicinal miracle in four directions. It is a potent antiseptic, it is a powerful antiseptic, it is a powerful antiseptic, it is a powerful antiseptic.

According to statistics, single persons do not live as long as married people.

## Juveniles Score Another Victory Against Selkirk

The juveniles added another to their list of victories on Saturday when they defeated Selkirk in a close game. It is definite now that the two teams from the Hamilton County championship and the winner thus eligible for provincial competition. Peter's victory was a sensational performance in a week ago by striking out ten batters in a row. He also held the opposition to two hits, one in the first inning and one in the fifth. Selkirk allowed seven hits and six runs and had six strikeouts in the first innings it looked rather serious for a moment for the juveniles. With two out Peters walked Lindsay, who advanced on Kinsley's slow grounder between second and first, and through an error brought in a run. Lindsay scored on Jones' double and Kinsley on Jowers' single. It looked like a runaway for a moment, but Hoover made the third out on a pop fly short stop. In the second half inning the locals appeared very confident and it looked as if the management would have to get lighter on their feet. However, the side was retired in the first inning. The score stood 1-0 in favor of the juveniles. In the second Peters retired side, with four batters, Moerschke getting through an error. Moerschke started the second half off for the locals with a single to left field and advanced on a nice steal. Peter's Kinsley struck out and it looked as if the locals were to be kept in the score sheet again, however Miller came to the rescue at the plate with a long drive to deep center, bringing in Featherstone, and in an endeavor to snare him.

## OBITUARY

**THOMAS JOHN ROBINSON** On Monday, July 1st, at his home in Dryden, Ontario, Thomas John Robinson, a former resident of these parts, passed away in his 71st year.

The deceased was the second son of the late Moses and Elizabeth Robinson and was born in the Township of Woodhouse where he spent his early life, later moving with his parents to Walpole Township where he resided until moving to the north country nearly forty years ago.

For many years he operated a fleet of boats on Lake Walpole, and he himself was Commodore of the fleet. He had lived retired the past few years.

The funeral was held from his late residence on Wednesday, July 3rd with interment at Walpole.

Decceased was a brother of William J. Robinson south of the Village.

**CATHARINE M. STILLWELL** Catharine M. Stillwell died at her home in Chesapeake on Saturday night, July 6th after a long illness of five years and four months spent in bed and her suffering was borne with great patience and she was an inspiration to all who called to see her. The deceased was born a mile and a half north of the village on a farm now known as the Greenbury home stead. She lived there the early part of her life. When a teen aged girl, she was converted and baptized by Rev. John Silcox and joined the Baptist church of which she was a consistent member. She was also one of the charter members of the first mission circle and also taught in the Sunday School. She loved her church and to serve her Lord in any way, always brought joy into her life. She lived in the village with her mother and younger sister. The younger sister passed away more than twenty years ago and it was necessary that she should come home from Buffalo.

The end came suddenly and was a very peaceful one. She had gone home to glory to be with those who had passed on before. She leaves to mourn her passing one sister, Martha, who has been her nurse through all her long sickness and two brothers, Lew and Dr. Stillwell of Toronto, who with his wife is touring through western Canada in connection with his work and so it was impossible for him to be present at her funeral. The funeral services were held on Tuesday afternoon, July 9th. The ministers who took part in the service were Rev. C. H. Scott of Selkirk, presided, Rev. J. W. Kitching of Victoria, who was a neighbor for years, read the scriptures and Rev. Earl Sider led in opening prayer. These two also said a tribute to the deceased, also Rev. E. J. Winn of Villa Nova and Rev. G. Burns of Ottawa led in prayer during the service. Rev. M. S. Siple of Jarvis a former pastor preached the sermon. The title being "It is Later Than You Think" which was very effective and inspiring in every way and one to be long remembered. The music was furnished by the Sunshine Circle Girls which added greatly to the service. Their simple gospel offerings were many and beautiful. The service was largely attended not only by the people of the community but from other places such as Hamilton, Niagara Falls, Port Rowan, Simcoe, Villa Nova, Balmora, Jarvis and Selkirk.

## Can You Beat This?

Mr. Carl Fitzgerald who farms about three miles south on No. 6 Highway brought into this office a few stocks of oaks from one of his fields, measuring five feet, ten inches in height. The stock is particularly heavy and it is also very well filled out. This is one to beat. If you can, let us hear from you. Our telephone number is 37, lets have some competition.

## United's and St. Paul's This Week's Winners

United's and St. Paul's Decisively 22-10

St. Paul's Retaliate Against Knox 7-3

The United team registered a surprise to fans and critics on Saturday night when they got to Banks, famous twirler for St. Pauls with a vengeance and forced his retirement in the fifth inning.

The game looked very serious from the United standpoint in the first two innings when St. Pauls registered four in each frame to give them a substantial lead. Miller was very ineffective on the mound for the United's and was replaced in the third by Hill who more than held his own against the St. Paul Babe Ruth's.

Hill's started off in the third with a revived spirit and got four runs, in the fourth they added another seven, in the sixth seven more and just to put the game on ice brought in another four in the seventh. Ralph Fess replaced Banks for St. Paul's and was very effective the first innings but soon lost the pitcher's head.

United's chief objection to them at the present time is the superfluous growth of weeds that seem to find the soil particularly a greivable on tennis courts. Therefore Friday evening at 6:45 P.M. has been set aside by the President for all members to bring equipment and lend a hand on the courts, a few minutes of united effort will make them as good as any.

## Provincial Highways Being Re-Surfaced

The Brennan Paving Co. have been particularly active in this district re-surfacing No. 3 Highway from Jarvis to Nelles Corners. Previous to that No. 6 Highway between Caledonia and Hagersville was treated. The process requires little time and labor and is applied with a tarvis truck first laying the oil and later being sprinkled with crushed stone.

Pauls were concerned, although Lloyd Smith snared a couple of difficult flys at opportune times to take the side out.

"GOD SAVE THE KING"

## Local Institute Review Work Of Past Year

Jarvis W.I. had a membership of thirty-nine members. We held nine regular meetings with an average attendance of twenty-four. Last June we had Mrs. Lowrie from Alton speak to us on "The Members Ideal and the Ideal Member."

In July we held our picnic at Hickory Grove and a splendid time was enjoyed by members and their friends. In January we held our annual social evening with an attendance of one hundred and sixty-five. We made this community night with everyone welcome. We use the program provided by the county and try to follow them as closely as possible. We had a number of contests with a small prize given to the winner; the contests were very interesting as they gave the members something to work for.

We always have a ten-cent lunch at our regular meetings. This gives us a social half-hour over the tea cups, as well as helping our funds out. In order to enlarge our funds last year we put on a play entitled "George in a Jam". We bought eight dozen cups and saucers and eight dozen plates for the hall, sent five dollars for relief in the north, sent delegates to the Hamilton Convention, hired someone to look after the memorial plot paid our district and federation fees. We have a committee to look after our sick members, also sent flowers to a member where one of the family had passed away.

In September we had Mrs. Lee of Hamilton demonstrate the Waterless Cooker. Mrs. Lee also gave a health talk, which was very helpful to everyone.

Our regular meetings are held on the second Wednesday of each month. Come and enjoy our meetings with us and find out just what the Institute is doing.

## Jarvis W. I. Meet

The Jarvis Women's Institute met in the Town Hall on July 10th with a good attendance. Our president opened the meeting in the usual way and all members responded.

The Roll Call was answered with some good quotations from the Bible and Canadian Poets. After a discussion on the "Sewing of Lashes at the International Plowing Match" it was decided to not attempt same. The sewing project was discussed and it was agreed that more progress under very capable leaders.

Instead of community singing, the Grandmothers were asked to join in singing "When I Was Young" and "Maggie" in honor of Grandmother's Day. This was followed by the topic very ably given by Mrs. Gowen on "Women's Part in Canadian Progress." Mrs. McBride gave a very interesting paper on "The History of Our Branch Institute" which was organized in the year 1906 with fifty-six members on the roll. It was then moved and seconded that we accept Mrs. Riddler's kind invitation to picnic at her cottage home on the fifteenth of August, with a truck engaged to convey us there.

Following this there was an exhibition of the grandmother's wedding pictures which was a great deal of interest. The exhibit of the oldest thing in our home proved very interesting.

The grandmother's contest was particularly active in this district re-surfacing No. 3 Highway from Jarvis to Nelles Corners. Previous to that No. 6 Highway between Caledonia and Hagersville was treated. The process requires little time and labor and is applied with a tarvis truck first laying the oil and later being sprinkled with crushed stone.

Pauls were concerned, although Lloyd Smith snared a couple of difficult flys at opportune times to take the side out.

## ANNOUNCEMENT

Mr. and Mrs. W. J. Falls wish to announce the engagement of their daughter, Josephine to Mr. Ross Huffman, son of Mr. and Mrs. Henry Huffman of Walpole. The marriage to take place in July.

## The Country Paper

Without its newspaper the small-town community would be like a school without a teacher or a church without a pastor. In the aggregate, the country newspaper determines the outcome of more elections, exerts a greater influence for constructive community progress, is read longer by more members of the family and constitutes, with its millions of circulations and quadrupled millions of readers, a better advertising medium than any other group of newspapers or periodical publications. When properly conducted it cultivates so intensively its home news field that city dailies read a newspaper will not necessarily survive; it will continue to flourish as the most representative most distinctive, most wholesome type of journalism produced. — Dunnville Chronicle.
