11,000 Miles in a Month & American Motors, Toronto; drove to Quebec to meet two chums from the Old Land; and then set out for the Pacific Coast by the Canadian route. Returning, they first went South to Los Angeles and then eastward via Death Valley and Yosemite Park. At Chicago they made a special visit to the World's Fair to see Chevrolets in the making. During the eleven-thousand mile journey, their longest single "leg" was 1,000 miles, accomplished in 24 hours of driving; the four taking 50-mile shifts at the wheel. They found their Chevrolet easy to operate, comfortable, and economical.

SPORTS

(By Lou Gibb) After three straight victories the Juveniles are sure of a play-off position and if their work in the last three games is any indication of their ability they shouldn't have too much trouble gaining the championship this year. The only thing they will have to remember is that every team is definite opposition.

Peters work on the mound is certainly deserving of special mention. He beat his record of his last game of fifteen strike outs against Selkirk a week ago Saturday by making it sixteen last Saturday, both seven inning games. This would indicate that he was doing most of the work, which he was. Even after such a noble effort the boy's leg let him down with four errors.

A very encouraging feature of the Juveniles games to date is the outstanding crowds that overflow the bleachers to see them perform. We could exaggerate and say that at least twenty-five on an average turn out to see them perform. Not very encouraging for the boys, nor the management with emphasis on the treasurer, who finds it almost impossible to play a game at home or otherwise without an expenditure of over five dollars and with a usual two dollar gate what an efficiency expert he must have to be kept by the creditors from seizing the equipment.

And to think that this is the support a team gets after they have scored twenty-six runs to two against them, that's good going for any ball team and should be sufficient to draw at least an hundred to see them perform. Not very encouraging for a municipality as Jarvis.

The softball however, has been doing up a few more thrills with a much more power than the boys. The softball team has been bringing them out in good weather and had. The softball lacks the seriousness of baseball and is apparently like to see the players with a broad grin rather than a look of deep concern.

St. Paul's strengthened their position on Tuesday night by defeating Knox 7-3. It was a close game all the way through and with the exception of one inning, Knox would easily have been in reach of a tie.

HAGERSVILLE WINS 5 to 3 (Hagersville Press) Hagersville climbed to within half a game of the league-leading Selkirk Red Sox by means of decisive victory here on Thursday last when they won 5 to 3. The Red Sox and Villains looked up the crucial game Hagersville has taken three of the four games played with Selkirk during the six days. However, they must rely upon some other team to defeat the Norfolkites in order to finish at the top of the group.

THE JARVIS RECORD

Juveniles Defeat Selkirk in First Play-off Game

With Teams Turn in Poor Exhibition Of Baseball In Opening Game Of Play-offs. Errors Were Too Proliferous. Final Score 14-5. Selkirk's victory over the Juveniles in the first play-off game was a surprise to many fans and players who had been discussing them in terms unfavorable. However, decisions are made as they are seen and we hardly think there has been any partiality to date in the Church league on the part of the umpires, who are usually given the job against their will.

St. Ann's and St. Paul's meet on Thursday night (to-night) in their postponed game of last week and as these two teams have been rated as the two best in the league we are looking for a bumper crowd. Each predict victory, but that they both should not have and we behold the ups on this occasion, should a situation arise for them to rise to heights of grave deliberation.

The United team surprised the critics on Saturday night by defeating the St. Paul's team. The United's showed something that they had heretofore failed to produce and that was plenty of pep and aggressiveness. Which seems to be a virtue with any team. We predict that they will add a few more surprises before the schedule is concluded.

Juniors Plan Sunday Service, Picnic, Banquet

Further plans for the annual Junior Sunday Afternoon Service were made at an executive meeting held in Cayuga on Saturday night last. This service is to be held in Hagersville on Sunday, August 11th at 2:30 in the afternoon. An outstanding band is being arranged for and several other musical numbers will also be rendered. As intimated in an earlier announcement, the speaker is an old Haldimand boy in the person of Rev. C. E. Snowden, Rector of St. Paul's Memorial Church, Philadelphia. Mr. Snowden is an outstanding speaker and has had wide experience in church extension work throughout the entire United States.

Junior Picnic Tentative plans were also made for the annual Junior Picnic to be held at Featherston's Point on Saturday, August 24th. Further announcement in connection with this will be made later.

Registration Fees On Motor Vehicles Thirty-three years ago, Ontario collected \$1,282 from registration fees on motor vehicles. Last year, the amount had increased to \$5,049,714, which represented the peak of collections from this source.

Marjorie Reicheld Victim Of Drowning Tragedy

Marjorie Reicheld Is Claimed By Death When She Came Out Of Depth While Bathing At Sandy Cove In Lake Erie. News of the tragic death of Marjorie Reicheld, thirteen year-old daughter of Mr. and Mrs. W. Reicheld was received last night to the sorrow of all those who knew her. She had been staying with Mr. and Mrs. R. Ryder at their cottage along the lake since Monday and apparently had been in swimming a number of times before in the same place.

What Laura Secord Did (By W. Perkins Bull) Mr. W. Perkins Bull, K.C., will shortly issue another volume of his monumental "Real Historical Series" which one to be devoted to the military records of the county. In the course of his researches he has unearthed a good deal of hitherto unavailable information about the Battle of Beaver Dams and the historic adventure of Laura Secord which preceded it, and which took place exactly 122 years ago (June 22).

Liberals Swept Into Power In P. E. I. The sweeping victory of the Liberal forces in the Prince Edward Island general election on Tuesday swept Premier W. J. MacMillan and all seven Cabinet Ministers from office in the debacle which followed one month behind the sweeping Liberal victory in the neighboring province of New Brunswick.
