SPORTRAYS

(By Lou Gibb)

On Monday night, June 17th a softball meeting will be held in the office of the Jarvis Record. Anyone who is interested in softball should attend the meeting and forward any suggestion that they have At the present time four teams are expected to enter.

—:—

The ball fans of Jarvis and vicinity are unable to witness any ball, except every two or three weeks and they should look forward to a local softball league made up of purely local ameteurs.

—:—

Not only that, but there are a great number of local atheletes around Jarvis, who are too old to play Juvenile baseball and apparently too young to play intermediate. These boys should welcome an opportunity to show their stuff.

—:—

A softball league can be financed very easily. There is no need for each team to have eight or ten bats of their own, but for the league to have a few good bats and let each team use them would be all that is necessary in the way of equipment out side of balls.

—:—

The neighboring town of Simcoe have fourteen softball teams and the majority of the players are from Simcoe proper. Surely Jarvis and vicinity could procure sufficient players to make up four real live teams who can put on a show that will attract the customers by the (hundreds).

—:—

In Jarvis we have five first class softball twirlers not at present playing organized ball who are capable of going in and giving the fans as fine an exhibition of the art as can be seen anywhere.

—:—

Up at Port Rowan the other day, Howard Aaron of the Hagersville Intermediates and who was the Jarvis pitcher during the 1934 season, stopped the Port Rowan batters cold until the fifth innings. Then "Howie" discovered that his teammates had piled up a fifteen run lead for him and he eased up somewhat. Due to some very ragged ball playing by the Hagersville Club the final score was 17—10. Cliff Walker was umpire and from all reports he handled the game faultlessly.

—:—

The Haldimand intermediate league seem to have become a forgotten organization from a Jarvis stand point, since the metroplis has dropped out of the intermediate section of the league.

—:—

Ken Lampman, of Alymer and former ace twirler of the Hagersville Club is pitching great ball for Alymer and he has yet to lose a game Maybe some of the local fans remember him. Two years ago he stopped Jarvis from stepping out of the Haldimand County League in the O. B.A.A. playdowns by some very effective twirling.

So far this season the boys are not doing too bad with a batting average on the team of a little over .400. Could be worse, yet it could be much better, however, our hunch is that if they remain as good through the season they will be going away for the play-offs.

Selkirk still look as strong as ever after giving Fisherville a bad beating on Saturday by a score of 14—5 Maybe they are even better than they think they are themselves. That does help a lot sometimes in winning a ball game. Or possibly Harry Cox has been giving them some of the old Jarvis ideas of 1922-23.

The boys are going to have to wait until a week from Saturday, when they meet Selkirk on their own diamond to see just how much better they will have to be to keep the flowers in Jarvis.

We understand that the rather long duration between games have the Juveniles in a state of dissatisfaction and that a local softball loop is in the suggestive air. It is the apparent intention of those interested to start a church league comprising four teams to take up the slack in the sporting fraternity in the Village and surrounding community.

It's not a bad idea, although it is not likely to be favorably cherished by died in the wool, hard ball idealists, who seem to feel that there was only one game ever meant to be participated in as a sport. Nevertheless the other fraternity is going to have an opportunity to express themselves and form a league if desired when they have a meeting in the Record Office on Monday night, June 17th.

We wouldn't be a bit surprised to see Varency ready to throw there lot in a softball group were one formed in Jarvis. There are also a good many active young people on all sides of us who would really like to participate in some sporting circle where it is not necessary for one to try to carry on as a professional when they stand in that big open space before the grandstand.

Jarvis defeated Varency in a softball fixture on Wednesday night by a score of eleven to ten.

Knox W.M.S. Meet

The W.M.S. of Knox Church, Jarvis held an enjoyable social evening in the Sunday School room on Wednesday evening. The congregation was invited to come and see the ballets which had been prepared for the N.W. Missions. The auxiliaries all had splendid displays, the seniors occupying one side of the room and the Young Women and juniors displaying theirs on the opposite side. After a short program, refreshments were served and a box of correspondence prepared for one of the members who is away on holiday. The good attendance shows increasing interest and should be gratifying to the officers.

HON. E. N. RHODES, K.C.

Definite announcement has come from Hon. E. N. Rhodes, K.C., 58-year-old Minister of Finance since 1932, that he is retiring from public life. He will carry on until the session ends, and if possible until the end of this parliament.

School Board Select Teachers

At a meeting of the School Board held the latter part of last week, several teachers for the Public and Continuation school were selected for the following year. Mr. Gordon Saunders will be Principal of the Public School with Miss Luela Booth and Miss Evelyn Meredith as Assistants. As yet the principal of the Continuation school has not been appointed, but Miss Marie Carter has been given the position of assistant. It is expected the remaining position will be filled within a few days.

C.N.R. Freight Derailed Near Hagersville

A way-freight travelling north, just the other side of Garnet became derailed on Friday. It was several hours before the nine cars were placed back on the track and made ready to proceed.

A tank car containing oil jumped the track causing nine other cars to follow suit. The train proceeded about three hundred feet before the train was brought to a halt. An auxilary train and crew arrived from St. Thomas as soon as possible and it took fourteen hours to clear the track.

Traffic was held up from 11.20 A.M. until 2.00 A.M. the following morning.

Very little damage was done to the train as it was travelling at a slow rate of speed, but approximately 12 rails and 150 ties had to be replaced to repair the track.

Church Softball Group Organized

O. B. Hill Selected President of the League. Ministers Named Honourary Presidents. Four Teams to Comprise Group.

At a well attended meeting in the Record Office on Monday night, softball again came to the front in local sporting circles. After four years without action of a definite nature in this popular pastime, enthusiasts have again formed a league. Four teams will comprise the new group and each team will represent the local churches. St. Ann's in Walpole, Knox Presbyterian, St. Paul's Anglican and Wesley United in Jarvis.

O. B. Hill To Guide League

O. B. Hill was unanimously selected as President of the new league His associations in sporting endeavors since coming to Jarvis a little over a year ago made him a prominent favorite for the position. His associations with softball in the New Dundee group gave him a thorough knowledge of the game and no one could better guide the destinies of the league and make it the success it is going to be. Other officers elected were: Vice President, Herman Fear; Secretary-Treasurer, A. L. Miller, Executive Committee, The President, Vice-President and Secretary and representatives of the four churches, namely, M. P. Church Knox Presbyterian; E. T. Carter, Wesley United; Dan Brock, St. Ann's and Geo. Keefer, St. Paul's Anglican.

Rev. Father Harris, of St. Ann's Church, Walpole, Rev. M. Brett, of St. Pauls Anglican, Rev. G. L. Evans of Knox Presbyterian and Rev. W. J. Holley of Wesley United were elected Honourary Presidents of the league.

League to Open June 25th

The first game of the schedule is to be played on Tuesday evening, June 25th when the Knox team meet St. Pauls. There is to be one game played each night and the games are to be played on Tuesday and Saturday evenings throughout the schedule and will start at 6.30 P.M. sharp. On the following Saturday night St. Ann's meet Wesley United. So far as can be ascertained at the present time the teams are very evenly matched and some very exciting fixtures can be looked for during the season. Home and home games will be played with the first three teams to play off for the championship. The second and third teams will play a sudden death game at the conclusion of the regular schedule and the winner of that fixture will meet the first team in the best two out of three. A complete schedule will be found elsewhere in this issue.

Old Enthusiasm Apparent

Softball used to be a major attraction in sporting circles locally, until a few years ago. It was the one game that could be depended upon to draw a crowd and it again seems quite apparent from enthusiasm shown that it is again going to come into it's own. The players will be entirely local and well-known to all, in other words it is to be entirely amateur in every respect and that seems to be after all, what the fans appreciate most in witnessing a sporting event in rural municipalities.

Serious Automobile Accident Occurs South of Cheapside

Mrs. Harold Messner Seriously Injured — Similar Tragedy Occurred on Same Corner Last Fall—Stop Sign Appears to Add Little Safety to Motorists.

A bad highway accident occurred on Sunday morning at about 11.00 A.M. on the Rainham Road, some two miles west of Selkirk. Cars driven by Harold Messener of Selkirk and Mr Nuttall of Brantford collided, causing serious face and head injuries to Mrs. Messener with Mr. and Mrs. Messener were his mother and their two children all of whom escaped with minor injuries. Mrs. Messener was taken to Dr. Columb's office at Selkirk where first aid was rendered, after which she was removed to Hamilton General Hospital. Her condition is reported as serious, the sight of one eye being endangered.

Failure on the part of one of the car operators to observe the stop street regulation is alleged to be the cause of the accident. The Messener car was completely wrecked.

At Wesley United Church

The Y.P.S. of Wesley United Church held their regular Missionary program on Tuesday evening last with Mr. Sidney Drake in charge of the meeting. After the opening devotional period, the Scripture lesson was read by Miss Muriel Davidson and a paper on "The Philosophy of Jack Miner" was read by Miss Muriel Brown. The topic of the evening was given by Mr. Bourne, being an interesting history of the Doukhours of Western Canada. A brief discussion period was led by Mr. C. Davidson.

During the business session, presided over by the Vice-President Miss Muriel Davidson, it was decided to close the Society for the summer months.

—:—

A group meeting of the Women's Missionary Societies of Cheapside, Nanticoke, Garnet and Jarvis was held in Wesley United Church Jarvis on Thursday afternoon. Mrs. G. Pond of Cheapside, the Presbyterial Vice-President, presided over the meeting. The Scripture lesson was read by Mrs. J. W. Roulston of Garnet and Mrs. Tyrrell of Cheapside, led in prayer. Mrs. Mabel Vokes, of Nanticoke sang a very pleasing solo. Miss M. Halliday, B.A., of Lynedoch spoke of the Missionary School to be held in Toronto in September after which Mrs. W. J. Holley introduced the special speaker of the afternoon, Miss E. Mitchell, Travelling secretary of the Dominion Board who gave a very inspiring address on the work of the W.M.S. A very hearty vote of thanks was tendered the speaker by Mrs. J. Duxbury of Jarvis. At the close of the meeting tea was served in the school room.

White Snake Root, a tall plant with small white flower clusters, kills many domestic animals each year, when they eat it fresh or dried in hay.

Street Dance To-night

Have you purchased your ticket to the Firemen's annual street dance ? Remember the local fire brigade are a self supporting organization ever in readiness to protect public property. Yet they do not ask for charity. To-night they are offering a real outstanding street dance to the public at depression prices. They are giving away several valuable prizes as an added inducement to the public. You support less worthy organizations, so why not support the firemen ? No better method could be taken to express your appreciation of their services

Courses Completed

Congratulations are extended to Miss Muriel E. Stickles of Waterford and to Miss Gladys E. Hazlett, of Jarvis on having successfully passed the Advanced Secretarial Course (17 subjects) of the Robinson Business College at Waterford. These young ladies worked hard, and well deserve the Diplomas to be awarded by the Business Educator's Association of Canada.

Haldimand Historical Society Hold Regular Meeting

Interest Increasing in Work of the Society — Several Portraits of Historical Significance to Haldimand Were Received.

Our regular meeting was held the 10th, inst. Mr. D. Duff presiding. After routine business had been attended to the meeting resolved itself into a "round-table" chat in which everyone present took part. The various articles received during the month were on view. Each had its story and some things brought in teresting renunscenes to one and an other of those present.

Several portraits were received and some other pictures. One of minder of the past certainly. Then there is a group taken the day the corner stone of Cayuga Town Hall was laid. Several interesting manuscripts descriptive of cemeteries in different localities have been set in and excerpts from some of these were read. One was of the old Seneca Church yard near Caledonia. The church was occupied until about 1877. That led to some one's remarking that the road at this point does not follow the then road that "Seneca" preceded Caledonia as a Village, that one of the islands in the river there is an old cemetery. Bits of family history is often recalled at these meetings. The hour spent on ce a month in learning all we can about the pioneer people, homes, communities and activities is certainly well spent. We are glad to be able to record a growing interest in our work., but the handicap of having to glean our knowledge almost entirely from "second-hand" confronts us so often. Someone remarked that we've organized a generation too late, yet we are really accomplishing a great deal.

By the way we have missed Dr. Howell at our recent meetings and hope that when we resume work in September, he will find it possible to be with us. "Resume Work" did we say ? We hope that our work will be carried on during the summer months, largely perhaps through the family reunions. The society hopes to receive from each of these family history with emphasis, of course, on the pioneers.

Plan to attend the September meeting and bring with you if possible some article or item of historic interest from your locality.

The Society greatly appreciates the work of all who have so kindly contributed missives relating to various phases of local history and recorded the same in the minutes.

Our room at the court house is open and though the cases are locked, our exhibits are always on view and well worth a visit.

Weddings

BROWN—STUBBS

On Friday evening, June 14th, at seven o'clock the marriage was solemnized very quietly in Grace United Church, Caledonia, of Jeannette daughter of Mr. and Mrs. J. M. Stubbs to John Brown, Phm.B., son of Mr. and Mrs. Neal Brown of Jarvis, Rev. T. Harold Ackert officiated at the ceremony. The bride wore a Victorian model of shell pink Chantilly lace over frilled taffeta, with trimmings and bandeau of pale pink rosebuds, matching lace mittens with frilled taffeta cuffs and faille slippers. She wore dainty cameo earrings, the gift of the groom, and cameo pendant and bracelet, a gift of her brother and carried a cascade bouquet of butterfly roses and babys breath. She also carried a handkerchief which was a gift to her mother thirty years ago. The attendants were the bride's brother, Mr. E. M. Stubbs and Mr. James C. Brown, brother of the groom.

A reception for the immediate relatives following the ceremony was held at the home of the bride's parents. Later Mr. and Mrs. Brown left on a motor trip through the New England States, the bride travelling in a printed sheer ensemble and wide trimmed leghorn hat banded with black velvet ribbon. On their return they will reside in Jarvis.

GREIG—SWARTS

A quiet wedding took place at 12 o'clock today at the United Church manse, Glen Allan, when Pearl Marie Swarts, daughter of Mr. and Mrs. Leslie Swarts, Nanticoke, Ontario, became the bride of Harold John Greig, Francis street, Galt. Rev. J. Neill of Glen Allan, performed the ceremony. The bride wore a pretty gown of white crepe and silk net, a large white straw hat, white kid pumps and lace gloves and carried a shower bouquet of butterfly roses and lily of the valley. Miss Ena Swarts of Port Dover, sister of the bride, was bridesmaid and wore a yellow crepe suit, large white felt hat, white slippers and gloves and carried talisman roses and baby's breach. The groom was attended by his brother, Stanley Greig of Galt. The gift of the groom to the bride was a silver necklace; to the bridesmaid a purse and to the groomsman an initialed belt. Mr. and Mrs. Greig left on a trip to North Bay and Sudbury and upon their return will reside on the Preston road For travelling the bride wore a blue printed crepe suit with white accessories.

Reception

Mrs. J. M. Stubbs and Miss Jeannette Stubbs held an informal reception at heir home on Sutherland St. West last week on Tuesday and Wednesday in the afternoon and evening. Beautiful garden flowers lent a gay bit of color and the gaiety of wedding bells prevailed everywhere. The bride elect was assisted by Misses Jean Galer, Jean McConachie, Evelyn Jackson and Ruby Kett, in looking after the many callers and conducting them to the trousseau and gift rooms. Mrs. Margaret Kett received with the bride's mother.

During the afternon of Tuesday a group of immediate neighbors called and honoured the bride-elect with the gift of a silver rose bowl and reflector, Mrs. C. N. Aldridge making the presentation.
