Experience with Chevrolet: "MORE THAN SATISFACTORY"
WE HAVE FOUND that when it comes to deciding on new bus or truck equipment, buyers are most influenced by the experience of other operators like themselves. That is why we urge you to read the letter from Mr. A. P. Collins of Canadian Coach Ways, Edmonton—then go out and talk to some of the Chevrolet operators in your own community. You can safely take "the owner's word" for it—when it's a question of the right truck to buy for performance, appearance, freedom from repairs, long life and economy.
