Insure Your Wheat against **WINTER KILLING** and **RUST** by using **"CANADIAN" FERTILIZERS**

"CANADIAN" Fertilizers are a thoroughly and evenly mixed combination of the necessary ingredients to give you the most value for the dollar you spend on fertilizing your wheat. Well cured and aged in our factory... ready to go a job when applied to your wheat field.

Avoid costly experiments with green mixed materials on which there is no guarantee, and which may actually be injurious to your soil.

"CANADIAN" Fertilizers drill evenly. Just cut your drill at the number of pounds you wish to apply per acre... and that's what you get EVERY TIME.

"CANADIAN" Fertilizers have been on the market for over 30 years. You may use them with confidence, for there is honest value in every bigger and better bag of "CANADIAN" Fertilizers.

We have an agent in your district who is ready to serve you.

SPORTS TRAYS

(By Lou Gibb)

The play-offs would have been in the position the Juveniles find themselves in after taking defeat from Niagara Falls in two straight. But although they are the losers, they can say that they went down to honorable defeat.

Only misfortune was their loss of the winning side in the second round. The first game at Jarvis they deserved to lose but the second game was tough, luckless to say the least.

After going in to a two run lead for the first five innings a couple of fortunate hits from the opposition knocked their lead in the sixth and made their going much more difficult.

The locals found Catherwood in the mound much more difficult to contend with than Reyer, who occupied that position in the first game. Catherwood had fifteen strike outs taking the highlight position from our local outstanding mountaineer, Peters, whose work in the play-off games thus far has astounded critics. Peters, however, turned in a real effort and took out nine men by his usual route.

Niagara Falls Benefit By Jarvis Errors

The Local Juveniles Had Bad Day In Practically Every Department In First Game Of Second Round Play-Offs Against Niagara Falls. Final Score 8-3.

After playing almost perfect baseball in the first game of the Provincial Championship, the local Juveniles team took all of the errors out of their system when they met Niagara Falls at the local park last Friday afternoon. With eleven errors against the local squad, Niagara Falls went home the proud victors by an 8-3 score. Peters of the home team struck out fourteen batters, having fourteen strike-outs and allowing only six hits with not more than one to an inning.

Jarvis seemed to have little difficulty in the first inning, as the offerings of Rayner on the Niagara Falls mound getting nine hits and being credited with four successful sacrifice attempts. The home team functioned very nicely in their fielding attempts, turning in three double plays during the game. We, of the home team might tend to be a trifle prejudiced toward any other team, nevertheless it looked very much as if the breaks went against the home team. Storey on short and Patterson on third are both very capable players and it is a thing that gets by them has got to be traveling. Between the two of them they threw thirteen men out at first base.

The Falls went on the credit side of the ledger in the first inning. Walker, the first batter struck out. Patterson walked and stole second. Fronts single brought him home. Peters then took the next two batters by strike out route. Jarvis had a beautiful opportunity to get something in the last half of the same inning. After Mitchell and Peacock had both grounded out, Leatherdale took hold of a beautiful single. O'Donnell doubled but Leatherdale was held on third base. The sun got Laidlaw's eyes when he came to bat and he therefore struck out leaving the two men on base and making the third out. Incidentally on Laidlaw's three future trips to the lat he accounted for a hit. Jarvis lost the game in the second when no less than four errors were marked against them. Peters took Rayner the first batter in his usual style. Brown connected with a grounder to Laidlaw, who failed to handle it. Mills walked and Benson advanced to second. Barr singled which incidentally was the only hit of the innings, scoring Benson with Mills advancing to third. Walker missed his third strike but O'Donnell also missed the ball and lost it, allowing Walker to reach first safely and Barr to come in to me. Walker stole everything but the boy's shirts and got to third base in time to come home on Patterson's second base hit. This was the innings that lost the game for Jarvis. Four runs on one hit. Not one of them earned. Barr Peacock who was the hero of the game from a fan standpoint, connected for a nice hit over third in the third stanza and came home on Leatherdale's single after he went to second on his big brother's grounder to Storey and to third on Mitchell's sacrifice hit. This was the first run of the game for the home team and gave them a battling spirit for a couple of innings. Niagara Falls

George Peters and Edgar O'Donnell the battery of the Jarvis Juveniles, whose outstanding work for their team has been responsible in a large way for their success during the past baseball season.

came back in the fifth, however, and scored twice after Kett fumbled two in a row on the third sack. They got their last run of the game in the eighth when errors again were responsible. Jarvis added one in the fifth and one in the sixth.

Score by innings: 1 2 3 4 5 6 7 8 9

Automobile Accident

A serious accident occurred just east of the Village yesterday afternoon when a car with two adults and four children (name unknown) went into the ditch and all of the occupants were seriously injured.

Apparently the driver attempted to pass a car and trailer and in so doing ventured too near the left hand ditch, with the result that the car swayed and went into the opposite ditch and turned over a number of times before coming to a stop.

The occupants were all treated by Dr. E. M. Jones who was immediately called.

It is expected that a reckless driving charge will be laid against the driver.

Reading a paper without ruffling anybody's feelings is like fishing without a hook on your line—you get lots of recreation but no results.

WEDDING
HUDSPETH-CLARK

St. Paul's Anglican Church, Caledonia, was the scene of a quiet early autumn wedding on Monday, Sept. 2nd, when Miss Jean Clark, became the bride of Mr. Reginald Hudspeth. Rev. P. A. Sawyer, officiated.

The bride, who was given in marriage by her father, looked charming in a classic gown of French violet velvet and bridal train of moire. She carried a shower bouquet of Souvenir roses and maidenhair fern. Mrs. Gerald Clark, of Dover, was her sister's matron. Later, Mr. and Mrs. Hudspeth were entertained at a reception at the home of Mrs. J. E. Clark, mother of the bride, received her guests at a splendid breakfast, at which Mrs. W. Hudspeth, mother of the groom, presided. Later, Mr. and Mrs. Hudspeth left on a motor trip to Bristol and Quebec City. For the bride wore a chic and swagger costume of brown and coral with accessories of brown. On their return they will be in Caledonia.

Area Under New Management

The Jarvis Arena Company recently announced that the Jarvis Arena has been rented for a period of one year to Wilfred Willis, O. E. Hill and J. Miller. It is the apparent intention of the new management to operate the arena as it has in the past. Danes will be held in the fall and spring and ice skating will be provided during winter months. Several other features are also expected to take place in the arena before cold weather sets in. If arrangements can be completed the first and opening of the season will be held on the evening, September 12th. Booster Club who so successfully carried on social functions in the arena for the past six or seven seasons are also expected to operate early this summer. It is regretful to feel that such a fine organization who had given so much to the social life of this community felt that it was impossible to carry on.

New management are going to try to maintain the high standard of social functions that was set out by the Booster Club and are continuing to warrant the best of those socially inclined in the community.

Plans are being made for a social and watch for particulars during the opening dance. For the lunch conveners are: Mrs. Ben Johnson, Mrs. Robinson, Mrs. Rider, Mrs. Henry Johnson, Mrs. Harris, Mrs. Rodgers.

Jarvis W. I. To Meet

The Jarvis Women's Institute will hold their September meeting in the Town Hall on Wednesday, September 11th, at 2 o'clock sharp.

Will all members try and be present, as there will be a discussion on the Fall Fair Exhibit and the final plans will be made. Have your answer to the Roll Call ready. "Ways of Encouraging Children to Like School Studies." The topic for the month will be "Musical Appreciation or Refinement of Music in the Home." and will be taken by Mrs. Ballou, who has always given us something worthwhile to think about.

A contest for everyone will be held. The prize going to the one who brings the Best Sunning Cake. The lunch conveners are: Mrs. Ben Johnson, Mrs. Robinson, Mrs. Rider, Mrs. Henry Johnson, Mrs. Harris, Mrs. Rodgers.

County Scholarships To Be Awarded

Through the generosity of the ship to the Ontario Agricultural College will again be awarded this year. This scholarship is available to a student entering the first year at the Ontario Agricultural College who complies with the terms of admission to the College and who has attended either a short course under the Ontario Department of Agriculture or who has taken Agriculture in a high school.

The selection of the candidate will be made by a committee composed of the Agricultural Representative, the Warden of the County and one other to be selected by the two.

Applications should be made at once to A. Gordon Skinner, Agricultural Representative at Cayuga, as the fall term opens on September 23rd.

Selkirk Defeat Local Tennis Club

The local tennis club were defeated for the second time this season by Selkirk in a series of matches held at Selkirk on Tuesday. Although the local club made a better showing than in their previous games, they were still well below the ability exempted by their opposition.

Out of fourteen games, Selkirk were successful in nine while Jarvis took the other five.

A useful export outlet for Canadian dressed poultry has been opened up in the British West Indies, 100 boxes having gone forward during the first week of August.

Stone Church Anniversary Services

The Stone Church Anniversary Services will be held on Sunday, September 15th at 11 A.M. and 7.30 P.M.

Dr. Rochester of Toronto, will occupy the pulpit at both services. Special music will be provided. Everybody welcome.

NOTICE! HARDWARE STORE CLOSING!

As the estate of the late H. M. Shickler of Hagersville is being closed this entire stock of hardware and all supplies incidental to a hardware store are being offered to the public at unheard of prices. This was Hagersville's oldest and best hardware store. It carries a large assortment of builders supplies and hardware, which is being sold as low as half price and less. All fixtures and equipment for sale as the store has been sold and store must be vacated at once. Don't Delay. Store open every day and night until 10 o'clock to ensure quick disposal.

S. G. THOMSON, Estates Liquidator

Cayuga Family Injured in Crash

Auto Thief Gives Hamilton Police Chase

When an alleged auto thief endeavored to make a get-away through the business section of Hamilton on Friday afternoon he was responsible for serious injury to three persons and damage to at least eight motor vehicles.

The thief's name is Alex. Atkinson with apparently no address and the injured persons are Mr. and Mrs. William Dell and son Bobby, of Cayuga. The driver of the stolen car, automobile struck a Board of Education truck broadside turning the car he was driving over on its side and throwing it against the car driven by Dell. Mr. Dell received various cuts and bruises, while Mrs. Dell received severe head injuries, fractured ribs and lacerations and was rendered unconscious for several hours. Little Bobby Dell, aged 8, received severe cuts about his head and eight stitches were required to close his wounds.

It is understood that the driver of the stolen car was under the influence of liquor and two motorcycle patrolmen had to go over seventy miles per hour through the main thoroughfare of Hamilton before he was overtaken.

Charles Hazlett Suffers Injury

While participating in a baseball game with the Hagersville Intermediate "B" team against Tilsonburg last Saturday afternoon, Charles Hazlett received severe facial injuries when he collided with Kennedy on third base for the Tilsonburg team.

"Chuck" has played two games in the play-off, his services being called for when Langville the Hagersville stop was suspended from the league. His efforts in the last two games have been largely responsible for Hagersville wins.

The accident occurred when he attempted to go from first to third base on a single by one of his teammates. He was running on the base standing up in and in some manner the third baseman's head struck him in the jaw. He was knocked unconscious and was rushed to the Tilsonburg emergency hospital where it was learned that his cheek bone is crushed. For this bone to come back to its natural position it will be necessary for an operation to be performed.

Exhibition Softball

Art Winkworth's Hagersville softball team played a four inning exhibition game on Tuesday evening against Frank O'Donnell's constructed aggregation from Jarvis. The local team had the better of the argument in the four innings played. A return game is to be played at Hagersville on Friday evening. An earlier start will be made and at least seven innings is hoped to be completed.

Struck By Car

Little Gloria Harris, daughter of Mr. and Mrs. George Harris was struck by a car last Sunday morning when she attempted to run across the street. The accident occurred on Main Street just north of the Presbyterian church. The car was from Ingersoll and the driver apparently did everything possible to avoid her. She was knocked down and although she is suffering from severe bruises and a sprained ankle her injuries are not serious.

Life Sketch Of W. G. Ernst, K.C.

At the age of 38 years, William Gordon Ernst, K.C., Conservative member of Parliament for Queen's Lunenburg, has carved quite a large niche in the political hall of fame for himself. His clever wit and sound thinking and speaking are only too well known to the men who sit in the lower chamber. His robust youthfulness and virile constitution have enabled him to make his presence felt with holding the floor of the House. He has a command of the English language that makes listening to him a real pleasure, and a ready grasp of the political and other problems of the day. As a cabinet minister, Mr. Ernst should be right at home.

A Nova Scotian by birth — Halifax Bay is where he first saw the light on October 18, 1897 — Mr. Ernst first decided to take a fling at politics in 1925. At the general elections the following year he was elected to the House of Commons and was returned again in 1930. His followers in the Maritime took to him as a guardian of their fishing interests while he is attending the Parliament sessions, and in which he has done his job faithfully, he capped it in the dying days of the last session by introducing an amendment to the Fisheries Act of considerable importance to the fishing industry.

Among the fishermen of the coast the one who represents him is right in his element, for one of his favourite sports is looking the big ones. He has gained quite a reputation for himself as a disciple of Izak Walton. When he desires more strenuous exercise he takes to the golf links or a softball diamond. He delights in a game of softball and even while burdened with the duties of a Parliamentarian at Ottawa, found an opportunity now and then to take time out for a game.

Mr. Ernst took care to give himself a good education. He was brilliant in school and college. He won a Rhodes scholarship and received his degree of Bachelor of Arts from King's College, Windsor in 1917. He first went to school in Mahone Bay, then at the St. John's High School, then Dalhousie University and finally to a college in Oxford, England.

Mr. Ernst is a fighter of the first water. When he was nineteen years of age he enlisted with the 193rd Nova Scotia Highlanders, went to England and took a cadet course and joined the 85th Nova Scotia Highlanders as a lieutenant. In 1917 he went to France, was wounded in August of the same year and invalided to England. When the wound healed he went back into the fight to stop another bullet. This was in 1918 and when the Armistice was signed he returned to Nova Scotia with the rank of Captain and the Military Cross and Bar.

Mr. Ernst was married in 1923 and is the father of three children. The first two, a boy and a girl, William and Patricia, were born in Halifax. The third was a girl, Mary Patricia Ernst.

When Mr. Ernst returned from the war he read law with James A. MacLean, K.C., and was called to the bar of Nova Scotia in 1922. He went into partnership with Mr. MacLean and when the latter died, carried on

OBITUARY
BENJAMIN ANDREW FALLS

The death of Benjamin Andrew Falls occurred on Monday evening, September 2nd, in his 68th year, at the home of his daughter, Mrs. Earl Fess in this Village.

Mr. Falls suffered his first serious illness last November when he spent a month in St. Joseph's Hospital at Hamilton and his illness kept him confined to his bed until March of this year. Since that time he has been in fairly good health and was particularly active the day of his death which came with startling suddenness.

Deceased was born in Walpole Township Sixty-six years ago and the fore part of his life was spent on his farm five miles east of Jarvis. He purchased the general store at Nettles Corners and operated it successfully for a number of years, after which he retired, making his home with Mr. and Mrs. Earl Fess at Balmoral and later moving to Jarvis with them a few years ago.

His wife, Annie Donnelly predeceased him sixteen years ago and he leaves to mourn his loss, three children, one son and two daughters, Harry of Chatham, Marguerite of Hamilton and Mrs. Earl Fess, of Jarvis.

Mr. Falls was a staunch member of the Orange Lodge being connected with that organization for over a period of thirty-five years.

The funeral will be held from his late home at 2 P.M. to-day (Thursday) with interment in Chalmers' Church cemetery, Walpole.

Three More Robinson Graduates Accept Positions

Congratulations are extended to Blair S. Beck, Hagersville, who goes as Stenographer with the Royal Canadian Air Force, Trenton, Ontario; Clifford P. Peacock, Hagersville, who has been engaged as general office assistant with the Canadian Gypsum Co., Hagersville; and to him as a guardian of their fishing interests while he is attending the Parliament sessions, and in which he has done his job faithfully, he capped it in the dying days of the last session by introducing an amendment to the Fisheries Act of considerable importance to the fishing industry.

Among the fishermen of the coast the one who represents him is right in his element, for one of his favourite sports is looking the big ones. He has gained quite a reputation for himself as a disciple of Izak Walton. When he desires more strenuous exercise he takes to the golf links or a softball diamond.
