proteins of milk, and in addition it is a good source of calcium and phosphorus, both of which are vitally important to the development of bones and teeth. Our Ontario people, both rural and urban, should stand behind or support in a very definite way this important branch of dairymaking in Ontario through increased use of Ontario cheese. Over 80,000,000 lbs. of cheese is produced annually in the province and (approx.) 25,000 farmers are employed in the production of milk for cheese manufacture. Therefore, any increased returns that might be obtained through home markets should directly augment the present value of milk to the producer, which is urgently needed at the present time.

**THIS WEEK ON PARLIAMENT HILL**

Ottawa, Sept. 18.—Faced with the complex of a four party fight government forces are, in the opinion of many politically seasoned observers, leaving the door wide open for a national government should there be no clear majority in Canada's 18th parliament.

The recent radio address of Prime Minister R. Bennett has revealed a new Mr. Bennett, the biting sarcasm and the vigorous attacks on the opposition are missing. In his first talk he referred kindly to Mr. King and expressed appreciation of the courtesy shown him during his illness by the leader of the opposition. Some say it is a better Mr. Bennett, others declare that he is slipping, that he has lost his fire—be that as it may the attitude he has taken is widely regarded as having particular significance.

The absence of bitterness, it is held by many, provides an avenue of approach if, when the votes are counted, Mr. Bennett finds himself in a position to form a national government. Rt. Hon. W. L. Mackenzie King, it is well known, is opposed to uniting his forces with any other party. It will be remembered that in his opening address he spent considerable time warning his listeners of the danger of electing a minority government.

Further strength is lent to the consensus opinion gathered by the W.N.F.S. in Ottawa by the address of Hon. C. H. Cahan, Dominion Secretary of State, speaking in Montreal. A union administration comprising the most sane, public spirited and experienced members of the major parties would meet with his approval, he declared.

With government ministers occupying platforms in various sections of the country only a few remain at the capital. A bare quorum was present at the cabinet meeting held immediately prior to Mr. Bennett's departure for Toronto on the first leg of journey that will take them to Victoria and back to the Maritime provinces. Sir George Ferguson, minister without portfolio, is expected to return to Ottawa during Mr. Bennett's absence.

**Liberals Active**

The Liberals claim that the Premier is borrowing their suggestions in proposing a coalition government and reduce public debt by a campaign making a patriotic appeal to Canadian bondholders to agree to conversion at substantially lower rates of interest.

Hon. J. L. Gordon, minister of labor and financial critic of the opposition forces, declared that he made such suggestions in 1933 but received no consideration from the government benches.

Liberals speakers across the country continue to point accusing fingers at the new marked Mr. King's regime. Canada's last election, they declare, is more severe than that of other nations because of the high barriers which have been erected. Mr. King, his Maritime tour, will do shortly to the western provinces. Changes in his itineraries were announced this week and he will now speak in Saskatoon, Sept. 24, and Regina, Oct. 1.

Since the announcement of the election date and the sudden change in Mr. King's plans which followed comparatively little has been heard from the Liberal leader. With the Conservative platform before the people he will again swing into action with an extensive speaking tour.

Hon. H. H. Stevens, leader of Canada's youngest party, the Reconstructionists, continue a vigorous campaign in the east. Fery attacks on his former leader, Premier Bennett, and his Crit speakers are being tightened up of the close money policy of Mr. Bennett by Canadian banks was responsible for much of the distress in the Dominion, he held.

The most important problem facing Canada today, he maintained, was the control of capital and credit by a few corporations and individuals. He advocated a division of excess profits, over seven, eight, or nine per cent, on capital "with all the water squeezed out" between companies, workers and the state.

Both Tory and Crit speakers are paying considerable attention to Mr. Stevens and his party, fearing aparently that his candidacies may split votes. The Crits continue to declare that they see a direct connection between the Reconstruction party and the Tories.

Mr. Stevens is at present speaking in Quebec where four meetings were arranged for him. At the conclusion of that tour he will return here where he is to speak on Monday.

During his Maritime tour he has continued to attack large financial interests and has appealed for a dit-

to C.M. in his sports column in the Northern Observer this week did not hesitate to express himself concerning the support given the Simcoe O.A.S.A. representatives in their financial game of the season at Simcoe the other night. With over 1000 people present to see the game the collections amounted to less than \$20.

We can imagine such a thing occurring in some municipalities because we have become accustomed to it, but in a progressive community such as Simcoe it is sorely amazing to say the least. But apparently all rural municipalities endeavoring to sponsor softball teams, hockey teams, baseball teams or other sporting organizations are meeting the same difficulty.

We seldom hear of any sports club donating their surplus at the end of the season to any charitable organization, or for public improvement. Why? Because they are not, because all are in the red when the final adjustments are made. Usually a lot of red ink and the pen are carried by two or three individuals who have a little over anxiety to promote good clean sport for the young or element.

If there was a reason for baseball to be followed it is evident this year. With Jarvis going to the second round in the juvenile class, Hagersville going to the second round in the intermediate "C" division, and so far in the Intermediate "B" group and with Caledonia having the second round practically clinched in the Intermediate "C" division. Surely then it is not because the local teams lack baseball ability.

With baseball at \$150 each, bicycles at \$2.00 up to \$25.00, and such and gasoline at \$25 a gallon, advertising and other things too numerous to mention, we can hardly imagine 1600 people actually donating \$20 in the interest of sport.

economic as well as a political unity in the Dominion.

**Relief Costs Increase**

With unemployment a primary election issue figures released by Hon. W. A. Gordon, minister of labor are significant. The total cost of direct relief during August, he stated was \$6,416,603, of which the Dominion contributed \$1,753,000, and in an additional special grant of \$492,000 for residents in the Saskatchewan drought area. The expenditure was an increase over last year when the total amount for August was \$5,872,822.

In contrast to these figures Mr. Gordon reported that the total number of heads of families receiving aid in August was 234,729, a decrease of 16,111 from July. While the heads of families decreased 7 per cent, relief costs dropped only 6 per cent. Mr. Gordon stated. He deplored the alarming and altogether disproportionate increase in relief costs in some provinces.

Premier William Aberhart of Alberta on his eastern trip to secure a federal grant made good use of his time. With an agreement secured from the Dominion government to grant \$2,250,000 until the end of October Mr. Aberhart utilized the opportunity to tell the people of Ontario something about Social Credit.

**Aberhart's Federal Ambitions**

There is no doubt that Mr. Aberhart has federal ambitions but he does not regard the time as opportune to advance them. The Social Credit advocates are rather adopting an educational policy and are consolidating the forces of isolated clubs which have been studying Mr. Douglas' plan. Within the next few months these groups are likely to spring up in most urban centres across the country.

They will form the backbone, according to Mr. Aberhart's present plans. It is understood, for a national Social Credit party, the Alberta Premier expressed himself as satisfied with the interim long granted by Mr. Bennett who explained that he did not feel able to involve the next government. Mr. Aberhart will return to Ottawa following the general election to seek another advance, it is expected. On his eastern trip he also interviewed bank-ers and visited Detroit to confer with his Father Council and his Ford. The reception which he received in Toronto showed a keen hunger on the part of the people in the east to learn something about Social Credit.

**Demonstration For Plowmen Arranged**

Plow boys, both junior and senior, will soon be sharpening their blades and setting their coulters for the International event to take place near Caledonia during the days of preparation for this year's annual plowmen's assembly under the leadership of its president, as planned for a series of demonstrations commencing on Tuesday 1st, at the farm of Mr. Auld, one mile straight north of Nanticoke and one-half mile west of Nanticoke-Jarvis side road.

The first of the series will be followed by a second on Monday, October 2nd on the farm of James Rushton, three-quarters of a mile east of Selkirk on the main road.

The third demonstration will be held on Thursday, October 4th, on the farm of Mr. Fowey in South Cayuga town.

Mr. Peeney's farm is about two miles west of Selkirk on the main road.

The last of the series is scheduled for Saturday, October 6th and will be held on the farm of Mr. Hugh A. Bradford, on the road near Canboro township.

Both of these men are members of the Ontario branch of the Ontario Farmers Association Directorate, and represent and horse drawn as tractor plows will be demonstrated.

Both of these men are experienced plowmen themselves and fully qualified to give instruction in this work. It is expected too number of new type plows on hand for use of any wish.

Both farmers are particularly interested in the fact that there are a number of special classes for boys in the International this year.

Come to the demonstrations in the morning and in the afternoon at 1.30 P.M. your lunch and spend the day with the boys.

**OBITUARY**

**MRS. JANE NICOL**

Sept. 12.—Another old-time resident of Brandon Hills passed away this morning at her home, 113 Second street in the person of Mrs. Jane Nicol, widow of William Nicol, who died eleven years ago. Mrs. Nicol, who was born in Elgin, Scotland, was 88 years of age, and was the granddaughter of Sir William Main. She came to Canada 65 years ago and to Brandon Hills in 1885, retiring 35 years ago and moving into the city. She was a life-long Presbyterian. Deceased is survived by three daughters: Mrs. C. Meldrum, Brandon, Una and Emily at home, and one son, Robert, on the old farm at Brandon Hills. The funeral is to be held Sunday afternoon at 2 o'clock at Brandon cemetery. Interment being made in the family plot. Rev. J. F. Wedderburn will conduct the services. The body reposes at the funeral home of Campbell and Ferguson.

The late Mr. and Mrs. Nicol were residents of Jarvis for a number of years before moving to Brandon Hills in Manitoba in 1885. The late Mrs. James Noble was a relative of the deceased and a number of the older residents will remember them as fellow citizens in the last century.

**LILLAS AUGUSTA BEAM**

The death occurred at the family home, Walpole Township, on Wednesday, September 18th, 1935, of Lillas Augusta Beam, wife of Mr. John Calvin Hare in her 73rd year. Deceased was born in 1862, the daughter of Reuben and Deborah Beam, her family tracing its descent to the United Empire Loyalists. The farm upon which she died, Spruce Glen, was her place of birth, and she lived her whole life there with the exception of ten years after her marriage in 1889 to Mr. Hare, when she lived in Rainham Township until 1909, Mr. and Mrs. Hare and family returning in that year to Spruce Glen.

Mrs. Hare was a life-long member of the Baptist Church, and at her death was a faithful and esteemed member of the Chesapeake Baptist Church. During her residence in Rainham, Yellow Lethbrides, she was a member of the Selkirk Baptist Church. Her place in her church will be hard to fill and she will be much missed in her circle of friends.

Four children survive, as well as her husband, the children being as follows: Merrill H. Hare, Simcoe; Ida, Mrs. Claude Pond, Simcoe; Russell, at home; and Myrtle, Mrs. Bruce Brown, of Toronto. Mrs. Brown is especially known in this part of Ontario, because of her splendid contralto voice, which has often been heard in Simcoe and in her home church at Chesapeake. Other survivors are her brothers and one sister: John Beam, of Buffalo; Levi Beam, of Hagersville; Oliver and Warren Beam, Selkirk; George Beam, Niagara Falls; William Beam and Miss Ida Beam, Simcoe. The late Mrs. Leo Pond, of Simcoe was a niece.

The funeral was held from Spruce Glen Farm on Friday afternoon at 3 o'clock, Rev. Mr. Fradenburg, of Cayuga, being in charge of the obsequies, assisted by Rev. Michael Siple, of Jarvis. The bearers were Mrs. Hare's two sons, Merrill and Russell, her sons-in-law, Mr. Brown of Toronto, Mr. Claude Pond, Simcoe her nephews, Mr. Lloyd Matcchett, Toronto and Mr. Charles Beam of Welland. The services were largely attended and there was a wealth of floral pieces indicative of the high place she held in the esteem of relatives and friends. Interment took place in the Selkirk Union Cemetery.

Many relatives from Simcoe, as well as Mr. and Mrs. B. W. Whitside and Mr. and Mrs. Harvey Evans attended the funeral.

**WEDDING**

**VAN LOON—ROBERTS**

The marriage of Miss Sadie Winifred Roberts, second daughter of Mr. and Mrs. Arnold V. Roberts, of Hagersville, to Mr. Heruel A. Van Loon, youngest son of Mr. and Mrs. Morgan Van Loon, of Hartford, took place on Saturday afternoon, September 21st at the United Church Parsonage at Galt. Rev. Howard L. Roberts, M.A., B.D., uncle of the bride, performed the ceremony.

The bride looked charming in a dress of flowered chiffon. Her only attendant was her sister, Betty L. Roberts who was dressed in blue Taffeta. The groom was supported by Mr. William Butler, of Bealton. After the ceremony the happy couple left by motor for a short honeymoon. The bride chose for travelling a navy blue suit with matching accessories. On their return they will reside at Hartford, Ont.

**SHEPARD—YULE**

On Saturday, at high noon, the home of Mr. and Mrs. John Yule, Hagersville was the scene of a smart autumn wedding, when their daughter, Jesse Gertrude became the bride of Harry Tunis Sheppard, Waltered beneath the arch beautifully decorated with autumn flowers, fern and white bells, by Rev. Austin L. Hedges, St. Andrew's Church, Hagersville. The bride entered the living room on the arm of her father. The bridegroom was escorted by the bride's brother, Harry Sheppard. The bride wore a gown of ivory seersucker, fashioned in a gown of ivory seersucker, fashioned on long lines. She wore a white net veil caught with orange blossoms. She carried a bouquet of Braircliffe roses and lily of the valley. Miss Marion Smith, the charming bridesmaid, was gowned in pale pink flowered georgette with deep rose net cape and carried a bouquet of Braircliffe roses. Little Miss Gloria Sheppard, sister of the groom, made a dainty flower girl. She looked very sweet in a yellow crepe hand-made frock, trimmed with mauve velvet ribbon. She carried a basket of mauve and yellow asters. Mr. Clifford Yule, brother of the bride, was groomsmen. The mother of the bride was becomingly gowned in bergamot crepe with a corsage of Joana Hill roses. Mrs. Jacob Sheppard, mother of the groom wore a smart floor length black velvet gown with a corsage of Tallman roses. During the signing of the register Mr. Arthur Curry, Goderich, sang "I Love You Truly."

Following the ceremony a dainty luncheon was served to about twenty guests. Later Mr. and Mrs. Sheppard left on a motor trip to Montpelier and the Adirondacks. Mrs. Sheppard travelled in a navy blue crepe dress, navy coat with Alaskan wolf collar and navy hat and accessories.

Guests were present from Simcoe, Hagersville, Port Dover, Jarvis united church and Jarvis Anglican church.

Miss Catherine Campbell, retired after forty years service as a missionary in Central India, was the speaker. Miss Campbell's subject was the "Power of the Holy Spirit." She is a most impressive speaker and left a message that will not be forgotten. Miss Campbell wore two medals, one the decoration of King Edward VII, presented to her in the Government House at Indore, for service rendered during the famine, the first medal presented to a Missionary by a British Sovereign.

Refreshments were served at the close of the meeting.

Mrs. Jaques expressed the thanks of the hearers. Mrs. Green of Hagersville made a short address.

There is no fortune so good that you can find nothing in it to complain—Shakespeare.

**At Wesley United Church**

"Rally Day" was fittingly observed at Wesley United Church on Sunday last. The Sunday School joined with the morning congregation at 11 A.M. and took an active part in the service, many of the scholars formed the choir and under the able leadership of Miss M. MacMurchison rendered two very fine numbers. The story "A Letter From Paul" was read by Benny Stallwood, and the other "No Dark Corners in God's House" was given by Myrtle Johnson. The minister, Rev. W. L. Holey spoke on "Building up the Church".

The evening service was especially for Young People. The choir sang two very appropriate numbers, and Miss Patricia Stallwood rendered a violin solo accompanied at the piano by Miss Alma Bailey. The subject of the evening discourse being "Playing the Game of Life." There was a good attendance at both services.

**82nd Annual Fall Fair Open**

The 82nd annual fall fair opened yesterday with a large rush of morning entries. Up until yesterday morning very few entries had been received by the secretary and it looked as if the annual fair was going to adopt the spirit of depression. However the great rush yesterday morning removed all doubt as to the progressiveness of the event this year. The upper part of the arena displaying baking and ironing work is filled to capacity and the entries well exceed in number those for the past few years. Many merchandising displays are evident in the lower part of the arena which add greatly with regard to attractiveness. There is a decided dropping off in the entries on apples and vegetables which has been brought about by the weather this particular season.

**Hagersville 1, Guelph 0**

Hagersville got away to a good start in the first game of the second round series when they took Guelph by the score of 1-0. Only a rally in the first innings resulted in the only run in the game when Bud Clarke hit two on and scored Montgomery. Both pitchers turned in beautiful efforts with only a few hits in the entire game. Aaron was in a tough spot in the eighth inning when Guelph loaded the bases with one out. With the heavy hitters of the opposition facing him, he took the first batter by the strike out route, and the next batter's high fly was easily taken by Bud Clarke for the third out. Cecil Clarke in left field saved the day for the Vikings on two occasions.

On their return, Mr. and Mrs. Sheppard will reside at 104 Inchbury St., Hamilton.

**Knox W.M.S. Meet**

The W.M.S. of Knox church held their monthly meeting Tuesday, September 24th. Mrs. Meehan led in the opening prayer. The scripture lesson, John 13th chapter was read by Mrs. R. A. McCarter, followed by a solo by Mrs. Nicol of Hagersville.

Guests were present from Simcoe, Hagersville, Port Dover, Jarvis united church and Jarvis Anglican church.

Miss Catherine Campbell, retired after forty years service as a missionary in Central India, was the speaker. Miss Campbell's subject was the "Power of the Holy Spirit." **82nd Annual Fall Fair Open**

The 82nd annual fall fair opened yesterday with a large rush of morning entries. Up until yesterday morning very few entries had been received by the secretary and it looked as if the annual fair was going to adopt the spirit of depression. However the great rush yesterday morning removed all doubt as to the progressiveness of the event this year. The upper part of the arena displaying baking and ironing work is filled to capacity and the entries well exceed in number those for the past few years. Many merchandising displays are evident in the lower part of the arena which add greatly with regard to attractiveness. There is a decided dropping off in the entries on apples and vegetables which has been brought about by the weather this particular season.

**Hagersville 1, Guelph 0**

Hagersville got away to a good start in the first game of the second round series when they took Guelph by the score of 1-0. Only a rally in the first innings resulted in the only run in the game when Bud Clarke hit two on and scored Montgomery. Both pitchers turned in beautiful efforts with only a few hits in the entire game. Aaron was in a tough spot in the eighth inning when Guelph loaded the bases with one out. With the heavy hitters of the opposition facing him, he took the first batter by the strike out route, and the next batter's high fly was easily taken by Bud Clarke for the third out. Cecil Clarke in left field saved the day for the Vikings on two occasions.

On their return, Mr. and Mrs. Sheppard will reside at 104 Inchbury St., Hamilton.
