Free Trees For the Asking! Fire Prevention contest, Class 1, and the Lone Scouts of Ontario have the Canadian Chamber of Commerce The Lone Scouts of Ontario have recently co-operated with the Ontario Forestry Branch of the Provincial Government in posting signs in prominent places throughout the province announcing to farmers and other interested person how they may secure a large number of trees free of charge, for reforestation work, from the Forestry Branch.

He Canadian Chamber of Commerce Shield. The Scouts systematically inspected alleys and back streets and reported fire hazards.

World Courts and Boy Scouts That Scouting offered a great lesson in neighborliness, and that he would rather fasten his hopes for world peace on the Scout Movement than on

for reforestation work, from the Forestry Branch.

The boys arranged hikes, armed with the cards, a hammer and tacks, and posted these announcements in prominent places. prominent places.

Every year, around May 24th, some sociation of Ontario.

This Week's Scout Law—No. 2

A Scout is loyal to the King, his country, his officers, his parents, his

estry by Government Officials, and employers and to those under him.

Loyalty is one of the foundations of which will be the foundation of a large good citizenship. No organization of Boy Scout Forest Already some of any sort, from a Government downthe trees, planted several years ago, wards, can be successfully operated are growing into large proportions. unless it's members are loyal. To be This camp is very popular, and only loyal means to adopt certain principles costs the boy his transportation to and to stick to them when you know Angus and it may be that some Lonies would like to attend this year. It so, let Headquarters know as soon as possible, so that arrangements can be made to include you.
