in everything is just a lot of "talk."

. Most commonsense people won't pay attention to this advertising "brag," they'd shop for themselves and see where they can do best in their Furniture Sale buying. Falls', and every other good store, is really

glad to welcome this new, critical attitude—because there are some things we KNOW, and ma-We know for example that there isn't a city in Canada three times the size of the Town of Simcoe, where there is a furniture display that compares with Falls'. We also know and we

hope we may be pardoned for "tooting our horn,"

in recent years we have sent thousands of dollars worth of furniture to London, Hamilton and Brantford and many other distant points ... And last, but not least, our furniture truck has made many a trip to Toronto loaded with furniture.

FALLS: SAYS:
