Annual Meeting of Walpole Mutual Lire Insurance Company held Saturday Dear Mr. Editor:

THE JARVIS RECORD

PORT SHOWS MOST SUCCESS FUL YEAR OF THE COMPANY .. ntade in furtherance to the contribution of Mr. Lindsay in the columns of your paper of last week, with re-REPORT SHOWS MOST SUCCESS FUL YEAR OF THE COMPANY

Dear Mrs. McCarter: Recently and appointed the first newly formed Philater of Medical Research are of the finances of the Knox Church in figuring out the necessity of the surrounding community.

It is too bad there are not more doing During the district and in figuring out the necessity of the surrounding community.

It is too bad there are not more doing During the district and in figuring out the necessity of the surrounding community.

It is too bad there are not more doing During the district and in figuring out the necessity of the surrounding community.

It is too bad there are not more doung men, men and citizens in general, who have the foresight and by more mun

scheme or program for annual contributions from plot holders to assure the keeping of their plots.

I would be very glad if you would advise me as to this, and in the mean advise me as to this advise me as to this, and in the mean advise me as to this adv

I would be very glad if you would advise me as to this, and in the mean time I am enclosing herewith my theque in your favor of \$10.00 as a contribution to the fund.

Naturally I am anxious to have my brother's grave looked after and the sence supplied into the blood stream. This dye menol-sulpho-phthalien.

Rowntree was the gold medal-to be a much better way to handle the cemetery than to depend on each after graduation he set up in particular plot.

I would be very glad if you would advise me as to this, and in the mean time I am enclosing herewith my ed as read on the motion of R. E. Miller and John Mitchell.

Mr. Baying that 30c per annum would not the fire losses alone, out side of the expenses of management. This is one of the questions that requires much time and thought of the directors. We as your directors do not take the place of H. A. Schweyer directors. We as your directors do not take the credit for your low fire loss during the past ytar, but some of it no doubt should be attributed to wise management and careful underwrit.

Expenditures
