Canada, The Empire and The World at Large

Too Much Optimism If anything could hurt the forthcom-ing Imperial Economic Conference it would be the raising of extravagan expectations leading to inevitable di Ized .- Montreal Star.

All-Canadian Restaurant For London? A Canadian Restaurant For London?

A Canadian resident in London
writes to the newspaper Canada suggesting the establishment of a Canadian restaurant in the capital of the
Empire as a focus point for resident
and visiting Canadians. Greeks, Chinese, Italians and Russians can all repair to centres where they may meet
their countrymen and eat and drink
hationally. Canadians have no such
amenities, and the aspersion on their
finitiative is no small one.

New the granulity has been thrown.
