The Right Honorable the Earl of and prevented some evils for the future. It cannot attempt everything all at once—to give peace in twelve years to a planet which has been distracted by war for more than double that number of centuries. It can only attempt what a sufficient number of its supporters want it to attempt. The real danger in this crisis in its affairs is not of too slow progress but of its falling back through lassitude and ignorance on the part of Governments, and peoples into a state where nobody cares whether it lives or dies. That must not be; the world would have no use for an apologetic survival lingering on like a Holy Roman Empire or 2 Holy Alliance long after the life had left it.—Manchester Guardian.

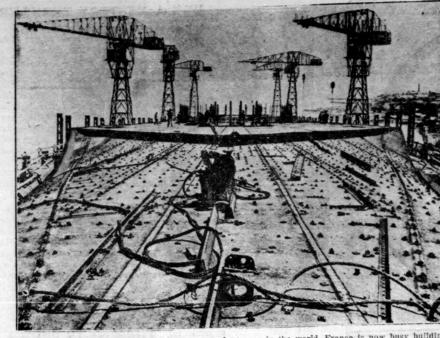

The Right Honorable the Earl of Westmoreland a prominent member of that elite group of hunting entusiates and sportsmen who, carrying on the long tradition of the Dukes of Beaufort, have made the little Gloucestershire village of Badminton world famous as the centre of all-round sport, will head the list of judges for hunters and jumpers at the Royal winter Fair's invitation to attend and to judge in the most interesting and numerous classes of the horse show programme. With him in the hunter and jumper division will be Elliott S. Nichels of Detroit and George B. Elliott of Toronto.

The other judges for the Royal

which it has no actual control.

The holidayers have departed and the residents of Clac on, England, are now settling down for the winter. A bit risky to walk along the prom when the waves act this way.

Italy Seeking Speed Record

Despite Loss of Pilots, Sh Still Keeps After World Record on Lake

Rome.-The tragic death of Lieut ant Ariosto Neri, Italy's "speed Wizard," has led to a delay in the preparations which are being made at senzano on Lake Garda to wrest from England the world's seaplane speed record, but the intention of re gaining this much-sought-after honor has by no means been abandoned. On the contrary, it is stated that a fresh attempt will be made as soon as ten peratures are steadily cool enough fo acing seaplanes to take off. The Italian machine which is to make the attempt to conquer the world's speed record will be piloted by Warrant Offi er Agello, who was formerly No. 2 of the Italian team and has become since the death of Lieutenant Neri. Italy has paid a heavy toll of liver
