Aid For Tobacco Growers

Tobacco growers in south-west Ontario will be pleased to learn that the disaster which threatened them will averted, largely if not entirely through the assistance of the provincia Department of Agriculture. The Minister, Col. Kennedy, has devised a heads for sale when demand restores vince will be sought. The Growers' London Morning Post (Cons.). that it may be a more powerful factor! n the marketing of the crop. If necessary a special representative may be sent to England to look after the disposal of the crop there. The plan does in a remunerative level is a crucinot involve assistance from the Government, but its success depends upon Toronto Mail and Empire.
