Plan Now to Buy

DOMINION OF CANADA BONDS 1932

On Monday, October 31, Canadians will have an opportunity to invest in a new issue of \$80,000,000 Dominion of Canada Bonds. By buying these Bonds you will accomplish two things:

1. You will obtain the soundest investment available to Canadians, secured by the resources and integrity of the Dominion.

2. You will assist in further strengthening Canada's financial position, with favourable effect upon general business.

TOTWITHSTANDING the trying condi-IN tions which have prevailed during Within the last few months Great Britain the past three years, Canada has established an enviable record of financing. For example, among other accomplishments, the Dominion has refinanced-before maturity and at a reduced interest rate-\$640,000,000 of its public obligations, due in 1931, 1932,

The new Dominion of Canada Bonds, which

and other countries have arranged important financial operations. In each case, these have met with marked success, investors having quickly recognized the trend toward

The success of the new Canadian loan is important. It will further demonstrate the confidence of Canadians in their own counwill bear 4% coupons, will be offered at a try and this confidence will be reflected in sufficient discount to provide an income the money markets of the world.

For national advantage—and for your individual benefit—plan now to buy Dominion of Canada 4% Bonds, 1932, when they are offered next Monday

This preliminary advertisement is published by THE DEPARTMENT OF FINANCE to enable Canadian investors to make arrangements to participate in this offering.
