CANADA

The Landward Movement
There is a landward movement in all countries. It is inevitable, and the present efforts in Manitoba and the other provinces of Canada may draw attention to this and may encourage a wider, voluntary movement from the cities to the rural districts. But the success of the efforts now being made here will depend on adherence to the here will depend on adherence to the justify themselves in the end to their strict and almost severe methods that constituents. Oppositions are not t have been followed thus far, and on be controlled. There will be attacks giving only a minimum of assistance and counter-attacks, suggestions that so that the settlers will know that too much has been conceded and too they must mend for themselves and little secured, complaints that there make the utmost use of their oppor- has been no dramatic climax and no tunity.-Winnipeg Free Press. immediate decline in unemployment Independence Impossible ernment should be driven to make the

She-"Yes, I was sinking for the third time when he rescued me and brought me to land." 'landed' him." Famous Mine to Reopen Brisbane, Queensl.—An attempt being made to reopen Mt. Mo

The neighbour of a man noted for his extreme thrift saw him on a week day dressed in his Sunday clothes. "What's up, Jim?" he called out "Haven't you heard the news?"
"News! What news?" "Oh, so that accounts for-" began the neighbour, when the frugal one interrupted him.
