THE RADIO AND THE PRESS The statement has been made by the radio that the newspaper and press are in a position to be of great service to the public.

DRIFTING BEES (Experimental Farm Note) Bees leave their home by location but when they have been forcibly confined to their hives for long periods, location is forgotten and landmarks must be learned.

NO NEWSPAPER MAN IS IN THE LEAST WORRIED about the radio disseminating the press of his jobs. If the news could neither stand nor walk, but was creeping again.

THE NATIONAL DEVELOPMENT BUREAU will supply on request maps, literature and special information concerning Canadian development, geography and travel.
