NANTICOKE
Rev. Mrs. Hesteria, of London, spoke in the United Church on Sunday last in the interests of the Lord's Day Alliance.

BASEBALL GOSSIP
Constant coaching, diligent playing, and cooperation amongst the players will give any town a good ball team, but surely the Hamilton coaches that were evident in Caleonia could tell the teams that.

IT PAYS TO ADVERTISE
Brodt, of Mount Hope, is an asset to the team and a fair trader, although he would not doubt go farther than to say that he would like to see the good old soft ball twirling.

UNITED Y.P.S. PICNIC
About fifty of the Young People of the United Church, held their annual picnic at Garner's camp, just west of Port Dover last Saturday afternoon. A soft ball game between picked sides was held at the school grounds ball park in the afternoon.

AN EXPLANATION
(The Herald will be received a little later this week by the town subscribers, as we are this week publishing on Thursday forenoon instead of Wednesday afternoon.)

ROCKFORD
There was a good attendance at our Sacramental Service on Sunday morning, Rev. Culp, preached from the text "This Cup is the New Testament in My Blood, which is Shed for you."
Our local Softball team defeated Kohler here on Saturday night.

FOR A HAPPY LIFE
Find the work you love and do it in spite of thunder. Be moderate in everything: food, drink, work, rest and all bodily desires. Serve yourself by serving others. Get money but don't let money get you. Let no man say of you that you mistreated any living creature. Let your life be devoted to being a bit of constant aim to being a bit of sunshine into the life of every being you meet. Don't worry, laugh often — you will be happy — Tony's Scrap Book.

CARE OF STRAWBERRY PLANTATION
What to do with a strawberry plantation after it has been fruited is a question frequently asked. It is not possible to answer this question in any way that does not depend upon the conditions of the plantation. If the plantation is full of weeds, like couch grass, or if it is very patchy it is better to plough it up.

BASEBALL GOSSIP
Sullivan is a good catcher and a nice ball player and just because he is from Brantford we can see no reason why the Caleonia "B" team should be called Brantford just for the benefit of the O.B.A.A. as a matter of fact they are undoubtedly well satisfied with the players in their organization.

BASEBALL GOSSIP
The Juniors were defeated rather heavily in their game with Cayuga last Thursday afternoon, completely eliminating any chance of their being in the play-offs.

A KIND LETTER OF APPRECIATION
I wish to express my unsolicited testimonial and unbounded faith in the Robinson Business College, Limited.
My son was trained in an graduation from the Head Office at Waterloo and after a little period of waiting during the days of depression, Mr. O. U. Robinson, the President and Secretary-Treasurer, obtained a position of trust and responsibility for him and he now holds such a position.
