

AND THE VALUE AND AND THE VALUE AND THE V

In the presence of the property of the graph of the property of the property of the graph of the property of the graph of the property of the graph beneve there was anything in it. He bidn't and he wouldn't.

He could brush Carol's words of warning away as impatiently as he pleased but they come here.

He was anything in it. He others. "I ask you: Here's a man others. "I ask you: Here's a man others. "I ask you Here's a man others."

Who can name his own price for fidding about with new steel tempering

warning away as impatiently as he pleased, but they came back to plague bim; she had a disconcerting way of being right altogether too often to make her an easy person to ignore. Something else bothered him, too.

He'd told Martha, when she called him up that merning that she needn't unload the next bag of tricks let me him up that morning; that she needn't unload the next bag of tricks let me explain anything to him, and he'd know and we'll get up a syndicate and know and we'll get up a syndicate and meant it. What she chose to think was her own business. Only he wishwas her own business. Only he wished she hadn't started to tell him something, and then changed the subject.

How about it?

"What'll you put in, darling?" said

Martha. She was smiling, but her

had happened at lunch. He wished she'd either told him nothing at all or spood deal more than she had.

By good deal more than she had. He hated the feeling she'd given him, and that came back, now that she wasn't sitting across the table from him, distracting him with her mile, keeping him amused with her talk, to haunt him; that feeling that she really was in some serious, some very real, some possibly quite desperate trouble. He wasn't curious, at all, or, at least, he quite honestly believed.

ate trouble. He wasn't curious, at all, or, at least, he quite honestly believed that he wasn't. But he wanted to be able to help her, and he didn't see how he could, unless he knew the whole story.

Getting his thoughts back to Martha herself, rather than to what Carol had been saying about her, did one thing for him, though. It calmed him down, so that he stopped tearing along

thing for him, though. It calmed him down, so that he stopped tearing along like a man on his way to a fire, and he sodded, finally, to the inviting gestufe of a taxi-driver. His normal good temper was restored when he got home, and he grinned as he shook his head to Manuel's inevitable suggestion of a cocktail.

Manuel was inordinately proud of his cocktails, and was always hurt when Peter didn't want one. The litter of the saw something else, too; the way Tack watched Ross, and the contemptuous dislike in Tack's
