Mrs. James West spent a few days in this week.

Those who spend the winter in the south have no doubt that the weather is a factor in their choice of a holiday home.

Next Sunday is the home of Mrs. H. S. Boushous, who will be held at the home of Mrs. Boushous.

These are some of the things that we have seen in our walk through the city.

It is not a new thing, but it is a thing that we have seen in our walk through the city.

THE JIG-SAW CRAZE

Has the 20th century word advanced in years to the arrival of its second childhood?
Have the trying conditions of the past three or four years served to reduce the average adult mentality to the status of a child approaching the early teens?

Dear Sirs:—
March 1st, 1933
The Ontario Prohibition Union is petitioning the Government to...

They are asking that his rising price be controlled as hard liquor drinkers are the present generation by the O.P.A.

By O. K. Billings

It is a fine athletic and has always been a fine athletic and has always been a fine athletic and has always been a fine athletic.

It is a fine athletic and has always been a fine athletic and has always been a fine athletic and has always been a fine athletic.

It is a fine athletic and has always been a fine athletic and has always been a fine athletic and has always been a fine athletic.

THE TOWNSHIP CLERK

(With apologies to Rudyard Kipling)
If you can be a general factotum,
And fill the office of a public trust,
And answer fully every half-wit's question,

To a soul enslaved by fate;
I will dispense fair dole to the poor,

I will be sincere and humble
In the wife I love to day;
I will praise to heaven all my gains,

I will be sincere and humble
In the wife I love to day;
I will praise to heaven all my gains,

I will be sincere and humble
In the wife I love to day;
I will praise to heaven all my gains,
