Farm Queries

Henry G. Bell, B.S.A., Dept. of Chemistry, Ontario Agricultural Experiment Station, West, Toronto.

R. D.—I have some heavy clay and some black muck.

What kind of fertilizer would you put on this kind of soil?

Answer—The first thing that is necessary is to see that the land is well drained.

It is not only necessary to correct the acidity of the soil for the crops

Grand Duke Alexander of Russia, cousin of the late Czar Nicholas, passed away at Moscow, France, following a lengthy illness. He was 66.
