at home the food we used to buy abroad .- London Daily Express. Modern Egypt

One of the most significant changes patience by its senseless, but danger in the everyday life of inhabitants of way, is rapidly wearing out official patience by its senseless, but danger ously destructive abuses. Thus we are told that the roads department of this province has decided to withdraw the licenses from all trucks that exceed the maximum legal speed of 25 miles per hour. Relying upon a power, size and weight far superior to those of anything it may meet upon the flighway except another of its kind, the auto truck literally acts in far too many cases as though it "owned the road."—Quebec Chronicle-Telegraph.

New Population

New Population New Population
It seems to us that the Dominion Trades and Labor Congress is unnecessarily alarmed over reports that preliminary steps for a considerable migration from Britain to Canada are now being taken. No immediate flood in Canada's direction is possible. But the time is coming, and it is not so far off, when we shall be needing new population and it is only sensible that the groundwork for it should be In Interest of Science
