Jill of the Fields

By Kennaway James

CHAPTER XI

"I'm afraid I don't understand you' mid Mark.

mg to be one of importance. Mark, who had kept his rage pent up with such difficulty during the last few flays, now found difficulty in keeping it under control for even a few minutes. He felt an almost overpowering arge to seize his man and thrash him world isn't what I thought it was "

Was a flicker of a smile on the latter's face and Mark noticed it. He must give Barbour credit for courage, despite his pallid arms.

This thought had scarcely passed through his mind when he himself storned a blew such as hed just also world isn't what I thought it was "

good at expressing himself.

"Well, you see," he began rather clumsily everything was peaceful here until you came, and Miss Jill and 1 were running the farm quite comfort ably."

"By giving him a damned good hiding," snarled Mark, "and now you can take off your coat, Mr. Barbour, and get what's been coming to you for a long time,"

"Ah," said Barbour, "I rather thought she came into it somewhere. Tell me, now, how I have upset things?"

"Just a moment," said Barbour, "I should like to tell you...."

"Not a moment," said Mark, who had already taken off his coat. "Not had already taken off his coat. "Not

vious that he had been speaking to be all over the place.

At last Mark seemed to get Barbour in his power and managed to land some devasting blows to the body, each of which brought a gasp from £1,520,274 Budget

as against the some-what longiful tumble methods of himself. He began to appreciate this however, a moment like a lick from a horse, and Barbe in to appreciate this however, a moment later, when Barbour's right shot out in a quick little stab and caught him full in the right eye. As soon as he had landed the blow Barbour danced "Now perhaps you will chuck it," said Mark in a voice combining glee lightly out of reach.

ed some really hot fighting. Blows were given and taken with a rapidity risive hit was there among them.

Mark had received one or two mor blows in the face, but, so far, Barbour had managed to protect himself er of the two.

CAN'T SLIP OR SLIDE **FALSE TEETH**

Don't use any old kind of remedy to keep false teeth in place—use a reliable, recognized one which dentists prescribe such as Dr. Wernet's Powder—the largest seller in the world—grips teeth so secure yet comfortable they feel natural. Positively no slipping or clicking—blissful comfort assured all day long. Forms a special comfort sushion to protect and sooth gums. No colored, gummy paste-keeps mouth sanitary-breath pleasant. Inexpensive—all druggists.

free, and Jill was equally free, but but there is always a sensitiveness on the part of any man with a claim to decency when he finds himself in antagonnism with another man to whom the soil on which he stands is theoretically his home.

For this reason, if for no other, Barbour wished to avoid a quarrel. He blow was responsible for all that terbod awaiting Mark's first words which were slow in coming. At last Mark spoke:

"Look here, Mr. Barbour," he said, "you have caused a great deal of mouble since you came over here."

definite. You know the countryside's laughing at Jill, as well as thinking her callous?"

"You must blame the newspaper, for that," said Barbour.

"I blame you," retorted Mark, his eyes blazing with venom. "It was you who was responsible for all that terrible stuff being in it, and you know it."

"Go easy, Hanson," said Barbour, rousing himself at last. Nevertheless have that Mark was barking unthe right tree, and it was fairly obvious that he had been speaking to browlessing to the animals be of approved types, but the blow was spent when it reached Mark, that he blow was spent when it reached Mark that the must be careful. This fellow from London was not the nine-pin Mark had taken him for. He was springing nimbly on his toes, dodging apparently without difficulty, the onslaught that Mark made as a return for the blow on the jaw. That he was so much lighter on his feet disturbed Mark, for he had found the greatest difficulty in reaching him. The fellow seemed to be all over the place. rank third, followed by beef cattle and
