phony Orchestra—a very good one to boot—has been giving Sunday con-certs, which have no doubt been much Spring - In Vancouver It seems to us that a very appro-priate subject for editorial comment upon such a morning as this morn-ing is our current and local weather. ing is our current and local weather.

Spring is here, a month or more a head of its normal season. The weeping willow has broken into leaf, the lovely blossom of the Japanese plum is out, the dew is on the new grass in our Vancouver gardens. Spring is here, beautiful as ever and more welcome that she is an early comer, and days are mild and benignant, lengthening out to opalescent sunsets

appreciated by those music music. But the Attorney-General of Manitoba has prohibited any more on the Zround that it is a violation of the Lord's Day Act to charge for admission. Obviously the concerts could mission. Obviously the concerts could mot be given for nothing. So that puts the lid on that—From the Stratford Beacon-Herald.

Regulating Police Dogs ghening out to opalescent sunsets that seem to renew the ancient covenant with beauty of earth and sky and an early an earth and sky and sea.—Vancouver Province.

places we have noticed it has been put as high as \$25. The idea is to discourage people from keeping breeding these dogs.—Stratford Beacon-Herald. Newspaper Ethics Communications made to and accepted by a newspaper in confidence will always be respected; proverbial "wild horses" being insufficient to drag the names of those making them from newspapermen. Natural-ly, the paper is legally answerable for what it prints and is always with Most diseases modern medica science has conquered Smallpox on ce swept over the nations. Today it is ly, the paper is legally answerable for what it prints and is always willing to accept responsibility but we doubt whether any Court or any Legislature will ever succeed in inducting a newspaper man to betray the code of ethics of his profession.—Quebec Chronicle-Telegraph.

it is, and what it promises to be, The Globe's ninetieth anniversary is an event in Canadian jouralism.

Through these ninety years, it has been steadfast for the faith of its great founder, loyal to the best traditions of a fearless, untrammelled press, vigorous for causes that have part indicated conversation as advanced Canada. For these reasons abecause The Globe's traditions and the cause The Globe's traditions and the cause The Globe's traditions and a free press, the Journal.

A man may be a dub in business, in finance or industry, but it is very in finance or industry.

It is with jealousy as with the gout. When such distempers are in the distempers are in the blood, there is never any security against their breaking out, and that often on the slightest occasions, and injured when an automobile crashed into the ditch near here today. The Calcutta Statesman.
