SAFE DRIVING

Our Merit Rating Plan of Automobile Insurance provides reduced premiums for careful drivers.

Because we believe that careful motorists are entitled to a further reward for Care, Courtesy and Common Sense in their driving, we have extended our Merit Rating Courtesy and Common Sense in their driving, we have extended our Merit Rating Courtesy and Common Sense in their driving, we have extended our Merit Rating Courtesy and Courtesy are now available. for Private Passenger Automobiles on All Classes of Automobile Insurance—PUBLIC LIABILITY, PROPERTY DAMAGE, COLLISION, FIRE AND THEFT.

will save money

DISCOUNT to motorists who have owned and operated a car for the past year without claims.

5% DISCOUNT to motorists who have owned and operated a car for the past two years without claims. DISCOUNT to motorists who have owned and operated a car

20% DISCOUNT to motorists who have owned at for the past three years without claims. DISCOUNT to motorists who have owned and operated a car

for the past four years or more without claims.

Our Merit Rating Plan is the only one available in Canada which provides such discounts for all coverages for Private Passenger Automobiles. These discounts apply, whether or not the motorist has been insured with this Company in the past, and are educted from the premium on the issuance of his policy.

A claim having been made under either the Collision, Fire or Theft coverages will not disqualify the motorist for his Merit Discount on the Public Liability and Property Damage sections, and likewise a claim under either the Public Liability or Property Damage sections will not disqualify the motorist for his Merit Discounder the sections of Collision, Fire and Theft.

"It's the man at the wheel that counts"

If you can qualify for this policy, see us today. Full details furnished gladly on request.

or to bring your mental powers under proper control.

Many business men think out their best thoughts and plans during leisure hours. Their leisure, therefore is not waste of time. Their mental eyes are open to discern new ideas which may be applied in practical ways. Their habit of neditation and reflection enables them to turn their so-called leisure time to good account.

It is not here suggested that you should always be thinking of your should be the size of his flock if the accommodation for a larger num through the elimination of the inferior birds are included.
