The Honourable H. H. Stevens is addressing the Ontario Commercial Travellers in Hotel London on Friday evening December 7th. The Rev. Mr. Merchants of London know that Mr. Stevens has a message of very great importance to the people and have made arrangements to have this speech broadcast so that everyone within the radius of London may listen in on Friday evening to CPRI, the London Free Press Station, and hear Mr. Stevens' address. This is the first time that Mr. Stevens has spoken at a Western Ontario audience since he has made a search into the business conditions in this part of the country, and it will be well worth setting aside this evening to sit beside the radio and listen to his address.

"EDITOR"
Dear Sir—

In reading over your letter in "Voice of the People" of last week, I could not help but be amazed at the apparent attitude of the writer toward education, or perhaps I should say education in Jarvis. Is this attitude general throughout the Village? Is the writer of the article a trustee on the Board of Education? Is there any possibility of this man's ideas ever becoming effective? If so, to my mind the situation is alarming and calls for immediate attention. Surely no man could be so serious in thinking it would be to the betterment of the Village to do away with that portion of higher education that we now have. As it is these residing in Jarvis are not in a position to offer their children the educational possibilities that are available in other towns. The writer of last week's article states that he can send them away if we wish, but I know as well as others that the expense involved in so doing makes a rather embarrassing situation for ordinary people. Surely we are not to be so serious in thinking it would be to the betterment of the Village why then can we have educational facilities in co-operation?

YOURS FOR A BETTER SCHOOL.

To Editor Voice of the People:
Now that the trustee election is over, though defeated in the matter of votes cast, I consider it a victory for those of us who are among the "old" men. We, by forcing a vote, gave the electors a chance to do away with the costly comic opera and Poo Bah of the past several years, by returning three wide awake young men to the Board of Management. At the head of the poll is a gentleman who is the owner and successful manager of four hundred acres of farm road and restaurant depository, second to none anywhere; a family residence which is a credit to this Village or any other town, besides a keen business man; a man who is a credit to his town. This is a benefit to the country round. This is a benefit to show some of the quality in our new trustees. "Unto whom much is given, much shall be required."

In glancing down the list of candidates, the eye rests near the bottom of the page and—what is this? The Band is playing gaily music round about us. "What a Dream? or why this agitation? My vision clears and, lo!—EUREKA!! I came second! Hurray!! About fifty-six points behind the winner, but still by golly, second, by Heck!! R.G.H.

E. H. MCARTEN

Word was recently received of the passing of Mr. E. H. McCarten at his home in South Bend, Ind. late in November and also the passing of his wife within two weeks in the hospital following an operation.

Mr. and Mrs. McCarten and daughter Nellie, have spent the summer months on the Heenan estate east of the Village for the past few years and had made many friends who will deeply regret the sudden departure of this lovable couple.

Mr. McCarten was in his 81st year but has always enjoyed good health until early last year when he began to fail. His wife who has been his constant companion through his long illness, died very suddenly last evening, as the result of a heart attack. The unfortunate man was found, about 7:45 o'clock, lying face downwards,

at the corner of Wellington street and Temple street, by two 11-year-old boys, Stanley Cartwright and John Taylor. The lady called to passers by, who removed the body to a nearby house, where Dr. G. K. Shilton attended to her. She died of either a heart attack or a stroke. No inquest was considered necessary. The deceased was on his way to his stable to feed his horse when he was dropped. The late Mr. Wilson was a retired farmer, about 65 years of age. He was born in Brampton, but had been well known in this district for 45 years. For several years he farmed near Drumheller, Alta., where he is survived by a daughter, Nina, and a son, Craig. Since the death of his second wife, the former Mrs. Lottie Baughman, he had resided at the Callwell house, on Alice Street, Mr. Wilson's first wife was the late Ellen Adams. The deceased was a very active member of the Waterford United Church and was president of a Sunday school class.

All those who wish to play hockey this year in the Town League group kindly hand their names into the Secretary (Laird Miller) not later than December 25th, in order to give the Executive an opportunity to strike off the teams.

NOTICE TO HOCKEY PLAYERS

Sweaters Awarded To Juveniles

Through their achievement in winning the Championship of the Haliburton County Juvenile Baseball series this year, the Jarvis boys were last week awarded an all wool sweater. This award was made possible through the co-operation of the Jarvis Booster Club, The Village Council, The Board of Trade and the Executive of the Ball Club. The names of the boys representing the team are as follows: Edgar O'Donnell, Capt. K. Fess, Malcolm Peacock, Jack Hume, Clifford Peacock, P. Peacock, Roy Beck, Bill Miller, Warren Fess, Mervyn Leatherdale, Bert Peacock and C. O'Mahony.

Unfortunately only several of the boys participating in the team and year are too old for future juvenile classification, however several new lads are coming along and it is to be hoped that the recognition of their services this year will inspire them to efforts even greater in future years.

Popular Couple Celebrate Silver Wedding Anniversary

On Saturday evening, December 8th, approximately one hundred friends, neighbors and relatives gathered at the home of Mr. and Mrs. B. N. Hair just west of the Village. The occasion was the Twenty-fifth wedding anniversary of Mr. and Mrs. Hair, or "Babe" and "Laird" as they are more commonly known.

The party was in the form of a surprise and as the friends all gathered about the same time the bride and groom were surprised by the sudden emotion and perplexity. A more perfect surprise to this couple who have loved, fought, quarrelled and made up, since they were first married, was not until they found that the pictures on the walls, the corners of the home, the spout of the tea kettle and all other available space was being utilized for clothing racks that a full sense of going on right in the dining room was the place that for twenty-five years had been mastered by the groom and on occasions by the bride.

Before the bride and groom could be taken their second breath since the first carload arrived everybody was perfectly at home and having a marvelous time. This should have been enough for any bride and groom for one night, but on top of all, the strains that are familiar of the Jarvis Brass Band came floating in the windows and lo behold, that is exactly what it was. "Hail, Hail, the Gangs All Here," "Colonel Bogey's March in C" sharp, and "They're Jolly Good Fellows" were a few of the numbers rendered by this great organization. No doubt they were inspired by the fact that their leader had on this occasion played Twenty-five years of happily wedded life and that their possibilities were just as good.

Dancing, community singing, Bridge, Euchre and other things were all in vogue at the time and every body was enjoying every minute. Mrs. L. W. Holmes, Mrs. W. H. Barrett and Wm. Watson showed the younger

Fortunately or unfortunately the hour of twelve o'clock and the Sabbath arrived, about this time the dancing was in order, otherwise it is hard to say what time the bride and groom would have again become the masters of their home.

Hockey Boys Organize For the 1934-35 Season

At a meeting held on Monday evening, December 3rd, the Jarvis hockey club was again organized to represent Jarvis for the 1934-35 season. The Rural team as represented Jarvis last year and it is felt that from the material available they should be in a position to do even better this year. The Rural team is going to be represented by the town league and as we all know to finance a hockey club or any other athletic organization is a very difficult matter. Therefore the Executive of the local club are going to adopt the following method in order to stimulate interest and create as much as possible in the interest of the Hockey Club as possible. On the night of the opening games (two) of the term league tickets will sell for 25c each and each person holding one of these tickets will be eligible to draw for any of the grand prizes which are being donated by the merchants of the Village. The following are the prizes that have been donated:

1st—Wm. J. Willis, partially donated, one Electric Lamp and Sand, value \$5.00.

2nd—L. L
