CHRISTMAS GREETINGS

They started out as ordinary snapshots but, artfully handled, turned out to be charming greeting cards. A simple, effective and individual solution of the greeting card problem.

CNAPSHOOTERS have a great | Christmasy about that? Not much.

anything you want, providing only Snapshots of yourself, your home, your family, your pets or anything else that's part of your life can be easily used in Christmas cards. The result is cards like no one else's.

There are many ways of using snapshots in greetings. The photofinishers in your town are equipped to make greetings for you, using one of your own snaps. They do some beautiful things; it will pay you, at least, to investigate them.

Or you may want to be even more individual. One of the simplest them with the care you can get the standard of the simplest thing. With care you can get the

Or you may want to be even more individual. One of the simplest greetings consists of a card with a snapshot pasted on it and a handwritten message below. Nothing can be more personal than that!

The opportunities for unusual and beautiful cards are endless. It's a challenge to your ingenuity. But no matter how clever the scheme, the snapshot itself must be good—and appropriate.

You might use a snapshot of your family, stood up in a row, facing the camera. But is there anything

Wishing you a
Merry Christmas The Season's Greetings

SNAPSHOOTERS have a great davantage over ordinary folks at Christmas time, for they can easily produce Christmas cards that are 100 per cent. individual, unusual, and not at all expensive.

What's the purpose of a Christmas card, anyway? Simply to carry a message of cheer and goodwill from one person to another. It is, at its best, a very personal affair. at its best, a very personal affair. anything you want, providing only
