A PRAYER FOR INVALIDS

For those on beds of sickness, Or fettered by dread fear, We ask Thee, loving God, Our meek petition hear.
We pray that Thou wilt help All those bowed down by grief, That Thou in tender love, Wilt send them swift relief.

THE IMPORTANCE OF THE MALE IN THE POULTRY FLOCK

(Experimental Farms Note)
With the hatching season just around the corner, the wide-awake poultryman will be looking over his males and selecting those which promise to uphold or improve the production of his flock.

RECOVERY UNDER WAY E. W. Beatty Believes

Revising Canadian business conditions of the past year and at the same time looking forward to the prospects for 1934, E. W. Beatty, Chairman and President of the Canadian Pacific Railway, thinks the country is on the way back to prosperity, although the way may be long, and at times difficult.

WEEKLY NEWS LETTER

Burley Tobacco Varieties
An important branch of the tobacco work on the Experimental Station at Harrow is the testing of Burley varieties. During the past four years results were obtained on more than fifty varieties and strains.

HAZARDS OF MOTORING

It is a little more than a month since the statistics show that the number of accidents during the winter months is increasing. It is estimated that there are now 100 accidents a day on the roads.

WHERE IS THE PROFIT IN ADVERTISING?

(By Bruce B. Brewer)
You will frequently see in big city papers a half-page advertisement featuring only one item, a woman's hat for example.

WHERE THE HIGH COUNTRY CALLS

A venture has found a splendid and thrilling outlet in the high country of the Canadian Rockies. Organized at Banff and Lake Louise this season, the new organization has provided such happy, healthful opportunities for hiking over the high passes, Alpine Meadows, and mountain trails of the Rockies.

HEALTH

The detection of the criminal is, in the minds of the public, the chief service of a police department. We disagree with this view if we believe that it is more important to prevent crime than to detect the criminal.
