Chevrolet Clicks Again
Instantly leading group of automobile engineers and stylists promulgated an investigator to do a quizing among the motor to the New York Automobile Show at the Grand Central Palace last month.

A Really Modern Highway
Motorists in Italy are said to be extremely good drivers. Though driving at a rapid rate, they do not indulge in the vice of cutting-in.

Knee-Action Welcomed
Seldom does a motorist mechanical development fit so quickly and easily into the automotive scheme of things as knee-action front wheels have done.

Noise Causes Fatigue
Really quiet car operation is foreseen for the immediate future as hundreds of automotive engineers are presenting every branch of research and creative skill to their attention to problems of noise.

Control the Common Ragweed
The control of Common Ragweed which has been a serious pest in this district during the past few years is best accomplished by such practices as will prevent the plant from maturing seed.

DIGNITY SUH!
I haven't any chicken,
And I haven't any duck,
And I haven't any pork chops,

THE AFTER-DINNER SPEAKER
The speaker's in his den,
Busy with his pen.

Feathered Stowaway
A pigeon that found itself "in the soup" was taken care of by a butcher but will return to a life of freedom when the Canadian Pacific liner arrives at Quebec from Southampton with a homing pigeon on the list as a stowaway.

The Port of London does an annual overseas trade of the value of \$406,488,000; in 1929 the annual shipping trade was worth \$322,000,000.

WEEKLY NEWS LETTER

Some Facts About Tobacco Mosaic
Mosaic is becoming one of the most serious tobacco diseases in Western Ontario. This disease occurs to some extent practically everywhere in the world.

What the Shows Did
Actively in Canada's motor car factories on a scale far beyond the production rate of early 1933, has been the gratifying result of January motor shows in metropolitan cities.

Historic Motor Car
Unperturbed by its past history, a resident of a village in Bosnia is driving the world's oldest motor car, owned by Archduke Ferdinand of Austria in Sarajevo that day in 1914 when the Austrian heir stopped an assassin's bullet and was toppled on the fabled car.

Oldsmobile Six Coming
Entry of Oldsmobile into the low price field with a new Six-cylinder car is expected to play an important part in production plans of General Motors of Canada.

Several hundred pounds of tobacco seed are cleaned and tested for germination every year for the growers throughout the district.

It is necessary to find a way to control the Canadian ragweed which is a pest to the farmer and a nuisance to the city.

While operating a motor car, the driver should be alert and watch for any signs of trouble.
