NEW YEAR RESOLUTIONS

With the dawn of the New Year comes an opportunity, once again, of forming new resolutions and of habits of life and conduct, and of forming new hopes for the twelve months immediately ahead.

WALPOLE MUNICIPAL COUNCIL MEET

Jarvis, January 8th, 1934. The Municipal Council of the Township of Walpole met in the Town Hall at 8 o'clock.

THE NEW YEAR

(By Greenville Kleiser)
Begin the New Year with clear purpose, strong resolve, and unshakable faith. Concentrate your attention on your high ideals.

WHY MILK COOLING IS ESSENTIAL

(Experimental Farm Note)
Nutritional authorities have proclaimed milk to be "the most nearly perfect food" for human beings.

NELLES CORNERS

(Received too late for last issue)
Mrs. Win. Harvey spent New Year day with her husband in Brampton.

THE ONTARIO PROHIBITION UNION

Mr. Rockefeller's words and the report of the Liquor Study Commission that he sponsored vindicate our attitude that the mere name of the Ontario Prohibition Union brands its ideas as impractical.

PITY THE MAGISTRATE

The Police Magistrate's lot, it appears, is not a happy one—in Ontario. He needs a pension, and the Ontario Government cannot afford to give him one.

HEALTH

Constipation is one of the most common ailments. Health demands that the body gets rid of its waste products. Regularity of evacuation is desirable, but there are individual differences in the frequency of elimination compatible with health.

MEN ON RELIEF LIST TO WORK ON SCHOOL

Since Jan. 9—Charles Buck, Slim Coe contractor, was today awarded the contract for the bulk trades work on the proposed high school addition.

WHAT DO YOU EXPECT FROM US

What do you expect from your home newspaper? Well, you expect more from us than you do from any other person or institution to which you pay the sum of \$1.50 a year.

CONTINUOUS PLANTING OF BURLEY TOBACCO

No definite system of cropping has been followed by the Burley tobacco growers in Western Ontario. Some growers practise a very long rotation; that is, they allow as many years to elapse as the available land on the farm will permit before returning to land which grew tobacco previously.

PREPARATION FOR WAR

Preparation for war is a constant stimulus to suspicion and ill-will. It is this that is being accomplished everywhere through the regular periodic health examination which is recognized factor in the preservation of health and in securing the early treatment of disease.

KEEP CLOSE TO GOD!

(By Greenville Kleiser)
When a man has a clear and vital realization of the close of each day, he realizes that he is filled with God, his daily life will be filled with God, his thoughts, earnest work and high ideals.

A BOY'S BEST FRIEND

A boy's best friend is his cap, even if it is lost most of the time, says the Atchison Globe, which continues: A boy's cap hides the fact that he is a coward.

FISHERVILLE

Mr. E. G. Mehlbacher spent Thursday and Friday in Toronto. Mr. and Mrs. K. H. Hartwick, entertained some of their friends on Friday night.

MILLERS' LUNCH

IT PAYS TO ADVERTISE
MILK, CREAM & BUTTER
TABLE CREAM, half pint 10c
WHIPPING CREAM, 4pt. 12c

THE BREWER'S DREAM

That the brewing interests are looking for a huge increase in the output for their product in Ontario is disclosed in a dispatch from Montreal which appeared in the financial columns of The Mail and Empire on December 26th.

WEEKLY NEWS LETTER

Men who used to struggle to live within their income now struggle to live without one. "All the troubles of the world come from thinking."—Eddie Cantor
