BASEBALL

The Intermediates took their second loss of the season last Wednesday at Caledonia although incidently their first marked loss. The boys have no excuses for their show ing and intend to make a comeback when that team play their return game on Thursday afternoon.

* * *

The Juniors were forced to postpone their game scheduled with Port Dover on Saturday but played on Monday and came through with a win although the Port gave them plenty to worry about throughout the game. Ken Fess on the mound for Jarvis deserves special mention for his part, having eighteen strike-outs to his credit, a couple more and J. C. Walker's record would have been shattered.

* * *

The initial game of the Softball league was payed here on Thursday evening against Nanticoke in which fixture the visitors took the honors quite handily. The boys were also defeated in their next game the following night at Decewsville.

"Conquering Sex"

Max Baer wins! Not only did he make the best prize-fight picture ever shown, but he serves unmistakable notice on Hollywood that he's challenging every "male menace" known to screendom for the championship with the ladies!

He isn't on the screen ten minutes before you hear the whispered comparisons urnning through the house He backs this up with as smooth an acting job as though he'd been in Hollywood for years. And after his rousing fight with Carnera (in person) there isn't a male sneer any where.

The oft-told story shows him starting as a barroom bouncer, being recognized and built up by down-and-out "Professor" Walter Huston, former trainer of champions until he cuts out Myrna Loy from ganster Otto Kruger and challenges Carnera for the world championship. But success and the ladies turn his head and he breaks with Myrna and Walter before the big fight. And how that fight vows the men folks!

With Jack Dempsey (also in person) refereeing, Max and Primo sock each other through the ropes, down for the count of nine, and all the rest — and it's real socking too. Of course, they took care to bring the story out right, but you'd never guess it just by watching.

Finally, the story has real punch, and everyone in it, including Vince Barnett, turns in a gem of acting. So it's an entertainment knockout for everybody.

This picture will be at the Regah Theatre, Hagersville Friday and Saturday, June 15th and 16th.

Sheep Dipping Now In Full Swing

Drenching Also Being Done

The annual Sheep Dipping Week is now in full swing with much of the work already done and the balance will be completed by the middle of June. As in past years, cates for dipping at various community tanks, of which there are over twenty in the county, were set by the Agricultural Representative and the co-operation of all sheep breeders solicited in making a general clean-up of sheep parasites.

All sheep brought to the various tanks and which have been starved the required number of hours are also drenched fo rintestinal parasites. It has been found that this treatment has been even more important than the dipping for ticks. Particularly is this true in the case of lambs that are unthrifty and not doing well.

The blue stone and mustard treatment has been used and gives splendid results when the simple directions are followed. Every sheep breeder should plan to have his flocks treated. Full directions can be had on application to the Department of Agriculture, Cayuga.

A man is judged by the company he keeps; a woman by that she has just left.

Graduation Exercises

The Graduation exercises of the 1934 class of nurses in trainging at St. Joseph's Hospital, Hamilton, were held in the auditorium of the nurses residence on Wednesday afternoon, June 6th. Among the graduates, we are especially gratified in seeing Miss Ruth Hewson's name. The Three year course is one that requires considerable pluck on the part of the nurses and congratulations are in order for Ruth on the completion of her training course. Mr. and Mrs. F. M. Hewson, Mrs. Sarah Hewson, Mrs. J. S. Burwash and Miss Nellie Saunders were among those attending the exercises in the afternoon from Jarvis. In the evening the Annual Graduation Dance was held in the Undermount Training School. Mr. Chas. Hazlett, Mr. T. Woolley, Miss Margaret Iocson, Miss Nellie Saunders and Mr. Luird Miller attending from Jarvis.

Farm Juniors Plan Programme

Annual Meeting Held

At a very enthusiastic meeting of the Haldimand Junior Farmers' Association held at Cayuga last week, the work of the past year was reviewed and plans made for future activities.

Mr. George Dekhout, the retiring President, spoke briefly and mention ed the various lines of work which had been attempted and the accomplishments which had been attained. These included the Sunday Service, Judging Competition, Home Plowing Competition and the Junior Banquet. The Treasurer's report showed the Association to be in a satisfactory condition financially. Mr. Skinner, the County Agricultural Representative, was also called on to speak briefly regarding the work of the Association.

Following the election of Officers the new President, Mr. Milton Henning, took the chair and preliminary plans were made for the annual Sunday Service to be held in August. It was decided to hold this at Caledonia and the tentative date set is August 12th The Agricultural Representative was asked to get in touch with the speaker and arrange for this date, if possible.

One new feature discussed was the holding of a Junior Picnic and Field Day on July 14th. A committee was appointed to look into this further and make plans. It is intended to invite the County Junior Institute and all other juniors and their friends to this affair. It is expected that the picnic will be held at Sandy Bay near Dunnville.

The following Officers and Directors were appointed:

Past President, Geo. Dickhout; President, Milton Henning; Vice-President, Harold Porter; Secretary, Wm. J. Snowden; Treasurer, Hugh Smith; Directors: Ralph Gowan, Lorne Porter, John Otterman, Jr., Harold Bacher, Geo. Pridmore, Ken Rittenhouse, Donald Phillips, Victor Bird, Lorne Stringer, Ross Hewitt, Allan Senn.

Webb Reunion

A very enjoyable day was spent at Bagley Inn, Cheapside, on Saturday, June 9th. when about one hundred relatives gathered to celebrate the eleventh annual reunion of the Webb family. There were thirty families present from Georgetown, Guelph, Ospringe, Thorold, Hamilton, St. Catharines, Hagersville, Caledonia, London, Jarvis, Simcoe, Port Dover, Nanticoke, Dunnville.

After partaking of a hearty dinner, a short business meeting was held, William Webb was re-elected President and Mrs. Vansen Meade, Secretary-Treasurer. It was decided to hold the affair at Mountain Drive Park, Hamilton, the second Saturday in June in 1935.

On account of the unfavorable weather the afternoon was spent in music and dancing.

Varency W.I. Meet

The Varency Women's Institute met at the home of Mrs. Bruce Smith on June 7th with nineteen members present. Following the opening exercises the business for the month was discussed. The conveners for the standing committees were appointed. It was decided to make an autograph quilt. Then Mrs Luncy programme convener took the chair.

Discussion followed on "If every branch member was just like me, what kind of a branch would this branch be?" Mrs. Geo. Gutcher rendered a piano solo, Mrs. E. Carpenter gave a paper on the manufacture and uses of cellophane. Mrs. Thos. Reynolds favored the meeting with a solo. Mrs. D. Kindree read an interesting paper on "Our Institute Creed" Then Mrs. H. K. Saunders on behalf of the Institute presented Mrs. Thos. Reynolds past president, with an Institute pin. Mrs. R. A. Miller gave a detailed report of the County annual meeting held in Selkirk. Then the meeting was brought to a close by singing the National Anthem.

The next meeting will be held at the home of Mrs. Fred Marr on July 5th.

After the heart of a 65-year-old man had stopped for five minutes, it was set going again by massage and he lived for 25 hours.

SPEECH AND SILENCE

I fear no man of boastful speech,
Or one with supercilious air,
Because I know behind the mask
There's much of specious ignorance there.

The man I like and most admire
Is he who frequent silence keeps,
Of modest mien and quiet poise,
Who wisely sows and wisdom reaps.
