NOT UNCOMMON NAME

Fred Williams, the historian of the Toronto Mail and Empire, shows that "Toronto" is not an uncommon name on the North American continent, there being eight besides the capital of Ontario.

Floyd Loay of 1822, one of the first to settle on the site of Toronto, was a native of the Queen City who had wandered and named "Toronto" out of loyalty to his old home town.
When the things that increase in value when laid down in wood are liquors and poets.
To bring spring's changed, unchanged in quality and flavor, to the winter table is the purpose of modern cold storage.
