Lincoln County Music Festival Entries Close March 17th.

The entries for the second Lincoln music contest promises to be up to the expectations of the committee which ended in deciding to send now before entries must be all in by Saturday of this week. All who are planning to enter should be sure to send their entry to the Secretary, Mrs. C. F. Glass, in care of Ontario Department of Agriculture, Corner King and James Sts., St. Catharines before the closing date as entries may be refused. The age of the competitors for all classes where there is a limit must be the age as on March 17th, 1934. There is, however, considerable time for the contestants to prepare for the contest as the Festival takes place on April 18th, 19th and 21st, nearly six weeks hence and a great deal can be done to perfect the contest numbers in that time.

There will be two preliminaries and a final contest. The first preliminary will be held in St. Catharines on Wednesday, April 18th when the county will compete in class in Part I as well as Part 2. The preliminary will be followed by the final contest on Thursday, April 19th and 21st.

Our president, Mrs. Marjorie, will hold a meeting in the Town Hall on Friday, March 16th at 8 P.M. A large attendance is requested.
