

Jill of the Fields

A ROMANCE
By Kennaway James

Motherless Jill Merrivale becomes on the death of her father the owner of a farm the estate on which his business had been carried on. She receives the property from her father's estate, and she has to investigate the reasons for the loss of her father's estate. She has to deal with a man who has been her father's enemy for years. She has to deal with a man who has been her father's enemy for years. She has to deal with a man who has been her father's enemy for years.

"I know he did," said Jill. "What in particular did he tell you, George?" "He told me enough to explain all these strange things that have been going on here lately," the burglar said. "I know he did," said Jill. "What in particular did he tell you, George?" "He told me enough to explain all these strange things that have been going on here lately," the burglar said.

"I want you to think about this. You say the formula is being searched for by all these people. What makes you think that Mr. Barbour has anything to do with this?" "I want you to think about this. You say the formula is being searched for by all these people. What makes you think that Mr. Barbour has anything to do with this?"

Factory Girls Are Called Goddesses

Physical Training Head Compares Them With Past

LONDON, Eng.—Like a race of goddesses, compared with their counterparts of the past, are the modern factory girls, declared Thomas Williams, 40 years secretary to the British Association of Physical Training. He had just witnessed the 24th annual competition for working girl teams at Guildford, London.

"You make me a little jealous to see how wonderfully fit you are," said Williams. "I have seen great changes in these girls in my time," Mr. Williams said. "You would not have seen these smart, trim, well-kempt hands, and beautifully wavy hair."
