DEATH OF GRACIOUS LADY MUCH MOURNED Mrs. Stanley Mills (Succumb) at her Residence in Hamilton on Tuesday.

Not only in Hamilton, but through out the school where she was so widely known and loved, sorrow will be felt at the passing, on Tuesday morning of Mrs. Stanley Mills, 440 Queen Street South. In failing health for some months, her death was unexpected and came as a shock to her friends. A charming and gracious hostess, Mrs. Mills had made her home a home where her friends delighted to come. Although not in the accepted sense a club-woman, she had many of her own private philanthropies, and always lent a sympathetic ear to those in need. She took the keenest interest in the United Empire Loyalist association, and the magnificent U.E.L. memorial of bronze, which stands in Prince's Square, is as much a tribute to her interest and work as the generosity of her husband, who donated it. Mrs. Mills had resided in Hamilton for 18 years. She was in her 70th year.

Her early life was spent in Oakville and vicinity. She was an active member and a regular attendant of First United Church, Surviving are her husband, two sons, Harvey C. Davis, of Burlington and Grant T. Davis, of Toronto. The private funeral will be held on Thursday afternoon at 2 o'clock. Interment will be made in the Union Burying ground, Flaming road, Freeman, Ont.

Decedent was a niece of the late Dr. W. A. Howell, and was known by many in the Village, who will deeply regret the passing of this estimable lady.

We should give as we would receive, cheerfully, quickly and without ostentation; for there is no grace in a benefit that sticks to the fingers.—Seneca.

HALDAM WOMEN'S INSTITUTES ANNUAL CONFERENCE (Continued from page one) do justice to this work. The subject of voice placing should be given preference; for there is no harm than good can be the result. If children are taught music in the schools they can then go into churches, orchestras and bands and do commendable work. Often times men and women are given preference in business because of their ability to help in local musical activities. Their social contacts are also larger. A man, desiring the leisure time of his home after he left public school should would willingly give two or three hundred dollars in support of a band to give his boy an outlet for his self expression, and to help him pass his leisure time in the most profitable and constructive way. A judge in a juvenile court said of all the boys that came under his jurisdiction that he had never seen a boy who had any musical training. We would do well if we would train our boys and girls to sing worth while melodies as they go about their work.

The concrete evidence of business recovery from the low point of last year which Mr. Bennett stressed in his opening announcement such as a 50% increase in industrial production, 17% increase in employment, 43% increase in farm products prices, as well as a substantial improvement in carriages, electric power production and wholesale prices, emphasizes the strengthening of the national credit, the progress in achievement of national economy and the steady growth of the country.

81st. Annual Jarvis Fair Passes On Into History The Eighty-first annual Jarvis Fall Fair passed very successfully on Wednesday in every respect except attendance. The exhibits were as usual outstanding in every way. In the livestock classes were exhibited with animals that would be capable of demanding the attention of the judges at any exhibition. The Arena was well filled with ladies work and exhibits. While the hour of the fair was over, a better picture never presented a better appearance in past years. It is quite disappointing to the management of the fair to have so diligently endeavored to place the fair on a par with the past to be greeted on the occasion of this year's exhibition with such a low attendance.

Rally Day Program Observed at the United Church

At Wesley United Church on Sunday morning last, the Sunday School and morning congregation united at 11 A.M. and the special Rally Day Program was observed. The Sunday School Superintendent, Mr. J. Della assisted the Pastor in conducting the service.

The children's Choir under the capable direction of Miss M. MacMurchy rendered two very appropriate numbers very sweetly. The Pageant "Sunday School Visitors From Around the World" was presented by scholars from the classes of Miss C. Walter and Miss M. Davidson and proved very instructive of the growth of the Sunday School Movement in all lands.

Rev. W. J. Helley gave an address on the Importance and Place of the Sunday School and told of the beginning of the work by Robert Raikes.

Can You Beat This?

Mr. R. A. McCarter brought into this office yesterday two raspberries picked from his own bushes, measuring 3 1/2 inches in circumference. It is believed that this measurement will establish a record for raspberries.

"Was You There, Sharlie?"

(From our correspondent) If you happen to meet on the streets of Jarvis a group of two or three men, and hear them chuckle heartily when one of their number says "Do you remember that last one Perry Thorne told?" or burst into gales of laughter, when another says "How about McGaw MacDonald's Emerald Mine doing a Scotch run?" You may be perfectly sure that they were among the fortunate ones who, along with several others from Port Dover on Thursday September 27th, attended the Chicken Supper held in the Memorial Hall, Nanticoke, on Monday, September 24th as a great success and well attended. Affairs were lovely under the auspices of the Anglican Church ladies, who served, a good programme was given under the management of Miss Egan. Walked which was enjoyed by all.

A cordial invitation given by W. B. Harry, C. Shaeffer and the officers of Fraternal Lodge, and reinforced by the hearty personal invitation of our former resident, Rev. W. T. Brown, now Chaplain of the American Lodge, led several of the local brethren to bring their autos out of seclusion and have the eighty odd miles that lay between them and their objective.

Leaving Jarvis early in the afternoon, they reached the Peace Bridge in good time, successfully overcame the first obstacle in the shape of the United States Customs, and after wrestling with the problem of finding their way through the maze of Buffalo streets, eventually arrived at their destination.

From the moment of their arrival until their departure in "the we man hours about twelve" there wasn't a dull moment.

The program opened with a dinner at the "Hamburg Hotel" and it was a "real" dinner. "B. Bone" steaks, done to the King's taste, or perhaps we should say, seeing it was in the United States, "The President's Taste" pie "like mother used to make" with real American coffee formed the main part of the menu.

Amongst the official hosts at the dinner were: Henry Stratemeyer, Mayor of Hamburg; Harry C. Shaeffer, W.M.; George B. Abbott, father of Hamburg's famous-Willow Craft Team; "Bill" Abbott, supervisor of the town; Henry H. Dawson, a Grand Lodge officer of the state of New York; Perry M. Thorne, Secretary; "Gramp" Van Pelt, the oldest living Mason in the district; Dr. Geo. E. Leary, and Rev. W. T. Brown.

Following the dinner the whole party retired to the splendid temple on Buffalo street, and found there, to welcome them, not only the Hamburg Brethren, but also a large contingent from Silver Lodge, Silver Creek, N.Y., who had been invited to see the "Canada" work their first degree.

After formally opening the lodge and carrying out the necessary routine work, the Master asked "Gummi" Brown to retire and introduce "Looking For Trouble".

The Chicken Supper held in the Memorial Hall, Nanticoke, on Monday, September 24th was a great success and well attended. Affairs were lovely under the auspices of the Anglican Church ladies, who served, a good programme was given under the management of Miss Egan. Walked which was enjoyed by all. A cordial invitation given by W. B. Harry, C. Shaeffer and the officers of Fraternal Lodge, and reinforced by the hearty personal invitation of our former resident, Rev. W. T. Brown, now Chaplain of the American Lodge, led several of the local brethren to bring their autos out of seclusion and have the eighty odd miles that lay between them and their objective. Leaving Jarvis early in the afternoon, they reached the Peace Bridge in good time, successfully overcame the first obstacle in the shape of the United States Customs, and after wrestling with the problem of finding their way through the maze of Buffalo streets, eventually arrived at their destination. From the moment of their arrival until their departure in "the we man hours about twelve" there wasn't a dull moment. The program opened with a dinner at the "Hamburg Hotel" and it was a "real" dinner. "B. Bone" steaks, done to the King's taste, or perhaps we should say, seeing it was in the United States, "The President's Taste" pie "like mother used to make" with real American coffee formed the main part of the menu. Amongst the official hosts at the dinner were: Henry Stratemeyer, Mayor of Hamburg; Harry C. Shaeffer, W.M.; George B. Abbott, father of Hamburg's famous-Willow Craft Team; "Bill" Abbott, supervisor of the town; Henry H. Dawson, a Grand Lodge officer of the state of New York; Perry M. Thorne, Secretary; "Gramp" Van Pelt, the oldest living Mason in the district; Dr. Geo. E. Leary, and Rev. W. T. Brown.
