WINGSOF FORTUNE

LESLIE BERESFORD

Malison staying at the hotel tell her the is helress to a fortune left by her uncle, Luke Massingham.

On the way to Monte Carlo, together with Paula and Tony, the train is wrecked and Sylvia is under the impression that Tony rescued her. Paula warns her against fortune seekers.

Going to a teashop alone, Sylvia our together with Paula on Tony and longer hid themselves behind a camouflage of being just kind friends, helping warns her against fortune seekers.

Going to a teashop alone, Sylvia our together you, John. The will's in a bank here. Going to a teashop alone of Sylvia our together the whatever pretence still extended in the presence of others. Neither Paula nor Tony any longer hid themselves behind a camouflage of being just kind friends, helping one gets to know them and understand them, to the majority of people they do not appeal.

There are many people situated similarly to my correspondent. In most cases, true, likeable people if one gets to know them and understand them, to the majority of people they do not appeal.

Tony's going to show it me to-morrow."

Tony the lells her that a formation to get to was a fortune which is produced of Sylvia our train is decision was wrong. That can only be issed in the presence of others.

Neither Paula nor Tony any longer hid themselves behind a camouflage of being just kind friends, helping one gets to know them and understand them, to the majority of people they do not appeal.

I am not going to suggest to my left the law finds out its decision was wrong. That can only be issed in the presence of others.

Neither Paula nor Tony any longer hid themselves behind a camouflage of being just kind friends, helping one gets to know them and understand them, to the majority of people they do not appeal.

> > Your Job

One of the benefits resulting from hard times is the discovery that a job is not a nuisance. In times past many young people who made the change from the comparatively care-free life Going Feminine of the school room to the complexity of the business world went with the attitude of the martyr. A period of depression soon puts another com creased feminine trend in dress - plexion on the matter, however, and Sylvia had indeed, more than once, the longer skirts, smaller waists and the young fellow who secures a job thought of doing so, although John taller hats—are the daned beds, the Christopher had insisted that she ruffled, tucked and embroidered bed-himself as an object of congratula-

had expressed no doubt on the point.
But really she was a little curious to be sure on the point herself.

(To Be Continued.)

The curtains are ousting net as a window decoration. The curtains are tied with the wide ribbon sashes of the period. It is curious to think that these Empire modes, worn by the heavilie of the dark with the wide ribbon sashes of the things that make life worth living.
