Express. Fresh Air for Slum Children

Which reminds us of the story of a tramp who, thinking to arouse the sympathy of a householder got down on his hands and knees on the front lawn and began to eat the grass. The householder, appearing at the door, easked what was the Idea.

"I'm hungry" replied the tramp.
"Come around to the back, the grass is longer" responded the heartless householder. — Stratford Beacon tess householder in householder well clean.

WAKE UP YOUR LIVER BILE-

And You'll Jump Out of Bed in the Morning Rarin' to Go

The liver should pour out two pounds of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Harmful poisons go into the body, and you feel sour. sunk and the world looks punk.

A mere bowel movement doesn't always get at the cause. You need something that works on the liver as well, it takes those good, old Carter's Little Liver Pills to get these two pounds of bile flowing freely and make you will be the work of calome but have no calome lor mercury in them. Ask for Carter's Little Liver Pills by name! Stubbornly refuse anything else. 25c.

manufacturing money within the prison walls, but actually putting it into circulation with the aid of confederates on the outside? And what sort of a situation is it that merits the statement o fone inmate that "You can get what you want in Quentin if you pay for it?"

men in relief recipients' families brings heartburn to the breasts of workers in the Ottawa neighborhood services.

is to be effective action. "Health" is of the opinion, for example, that

can be made concerning the sale of as bad as any other kind of extravaliquor and narcotics, and most unbeganve. Truth doesn't need any bol lievable of all, the uncovering of a stering up, and if we are speaking well-organized ring of counterfeiters we will hardly feel that it does. We in San Quentin, who were not only ought to remember that.

Perhaps — but only perhaps — San Quentin's crimes are not as gross as those of Illinois' Stateville Prison, where it was recently disclosed convicts literally run the prison, command large sums of money, and genarrogance that characterizes gangster "big shots" outside of prison walls.

YOU can cut Dixie coarse or flakey just as you like

it. It's economical, too, for you cut it only as you

use it—there's no waste

this is not enough. A very large proportion of the people of Canada are exposed to the dangers of drinking raw milk. Raw milk con-

be part of Canada, we will achieve little either in the direction of getting milk pasteurized or raising health standards generally.

For this reason a demand for pasteurization must be part of a demand for better health service in general. This demand will be organized.
