## SIDELINER

Well it seems that Hagersville are just as stubborn as ever when it comes to the play-offs. Simcoe Red Sox, confident of having the Villans on the run at last found this out to their grief when they lost to the Quarrytowners on Saturday seven to three. Arch Dougherty, the supposedly rylowners on Saturday seven to three. Arch Dougherty, the supposedly ry-lowners on Saturday seven to three. Arch Dougherty, the supposedly has been" turned on the Sox and handed them a rather costly defeat. Although we have backed Simcoe all season, to say the least, we were rather disappointed Saturday. Undoubtedly the Sox were weakened by David-son and Becket's absence, still on the all around display. Hagersville looked like the better team. However, if these two Simcoe stalwarts are present for the remaining games, it may be a different story. Two much cannot be said of Dougherty's pitching. Undoubtedly he is one of the greatest pitchers in these parts.

Wescott on the hill for Simcoe looked very ordinary and at times his support was very wobbly for an all-star infield. Given's pitching in the ninth is hardly open to criticism because he went in with very little warm up and he was fighting a battling ball club. Thompson, the remaining Sox hurler, in our opinion will need much better backing than Wescott received in order to win the next game which he will probably work.

The highlight of the game outside of Dougherty's masterful hurling, was the work of both Jacques and Clark in centre field for Simcoe and the Villans respectively. Jacques pulled down three long flies which looked as if they were going some place to happen and Cec. Clark covered miles, pulling down five fence-busters.

Caledonia's stock rises about One Hundred and Fifty points as a result of the game and thus we get some satisfaction out of the result of the game after all.

Hagersville Juniors won the Haldimand Junior Championship on Wednesday afternoon by a score of 9 0. Umpire Bersacht called the game after G. Kett had pitched three strikes over and the "Ports" had not put in an appearance. Unless Port Dover protests to the O.B.A.A., Hagersville will meet the winners of Hamilton district on Saturday as far as is known to officials at the present time.

A good deal could be written about Port Lover's failure to put in an appearance at Jarvis in the crucial game. Both teams had won previously in the home and home games and Jarvis was to be the scene of the deciding game. Although Dover's side of the story might justify them in their actions, we fail to see how it can. In case of a protest, in our opinion there is only one point on which the Ports can make any headway. That is that they had received no official notice. Nevertheless, Secretary Bersacht attempted to get in touch with the Port Dover manager a number of times Tuesday night. Being notified that he was out of town, Bersacht attempted to get hold of the Secretary of the Club. He also was unobtainable and the best he could do was to notify one of the players.

President Church also notified them Wednesday morning of the consequences if they did not make an appearance. Failing to do so they automatically forfeited their chances of advancing into the O.B.A.A. play-offs. Rather a disappointing ending of the regular season, to say the least.

Nevertheless, a good time was had by all at what was supposed to be the ball game yesterday afternoon. After the game was called by their majesties the "Umps", a team of old timers was dug up from the crowd. Grant "Wiggle" Kett stirred around a bit and dug himself up a couple of pitchers in Dagleish and "Chuck" Silverthorne. Aha! A pitcher's battle already. Morris Winger volunteered and promptly started with a home run into the left field underbrush. He was held up at second, however because of a loss of both wind and smokes. Army Hogins found himself a war club and entered the fray as did Ken Head and various other old timers. In fact it made one wonder if the game of today was as fast as that of twenty years ago.

## Villans Take Game Lead in Play-downs

Hagersville Carry Advantage in Best Three Out of Five Series With Ninety-one Red Sox. Dougherty Shows Old Time Form Restricting Sox to Four Scattered Hits.

Archie Dougherty returned to the days of long ago when he hurled masterful ball, defeating Simcoe 7 to 4 on Saturday afternoon. In the first of a best three out of five series for the Tobacco Belt Championship, Hagersville proved themselves just as stubborn as ever in the play downs. Simcoe outplayed them all season, but found the tables turned on them in their home grounds when it came to a showdown.

Three past two seasons Dougherty has shown signs of old age creeping on but on Saturday last he looked like a million dollars tying up the Sox lineup and holding them to four scattered hits. Three of these hits were of the scratch variety while the fourth was a double for Thompson off Dougherty's leg. Wescott on the mound for the Norfolkers, was anything but brilliant, yet he pitched well enough to win many a ball game. His support, however, was wretched and the same can be said for the Villans fielding.

For Simcoe, Thompson connected safely twice, the other hits going to Leffler and Houser. A. Smith, Dougherty, Wadsworth, Hodges and Hazlett all connected twice for the Villans, while Lampman got the remaining hit.

## Port Dover Evens Series

Phillips Holds Quarrytown Juniors To Six Hits to Extend Play-offs to Limit. Patterson Homers at Crucial Moment to Put Game on Ice.

George Peters had the skids put under him by the Port Dover Juniors on Monday afternoon when they defeated Hagersville 12 to 3. Ports turned on the league pace-setters and handed them their worst set back of the 1936 season.

Chuck Phillips on the hilltop for the Ports was never better, getting eight batters via the strike-out route and allowing but six scattered hits. His support was flawless except for two errors, neither of them being dangerous. Nunn in centre field made the most spectacular play of the game gathering in a long fly off Winkworth's bat, which was labelled for a homer if it had ever got away from him. Hoskins and Patterson also featured in the while O'Donnell played his usual faultless game. At bat Longe was the big shot with three safeties. Hoskins following closely with two hits. Patterson connected for a valuable homer in the fifth, driving in Hoskins and Phillips to make up a 2—2 deadlock.

Peters struck out thirteen batters but was outfoxed when the Dovers managed to bunt. His support was terrible, however, and Hagersville seemed to be suffering from over confidence. C. Kett led the Quarrytown lads with two hits Herod took second honors with a long circuit clout. The remaining hits among Winkworth, Vanni and G. Kett.

## Jarvis 1 Lose First Game To Varency

Varency Noses Out "Imports" as Miller put Pitches Banks. Tweedie Connects Safely For Four Hits

If opportunity knocks but once, Jarvis (1) are out as far as the championship is concerned. What might have been the greatest upset in 1936 softball, locally, turned out to be a huge disappointment to local fans when the Jarvis infield handed Varency a gift game on Saturday night. Although outhit 11 to 8, Varency saw their vision of a championship come one game nearer, defeating the locals 11 to 10. Seven errors committed by the local infield threw the game after Miller had turned in a beautiful effort, holding the Varency big guns to eight scattered hits.

Banks found himself in more holes during the game than in any two regular scheduled games and was saved from defeat only by the brilliant play of his infield and outfield. The first game of the play downs saw Varency play errorless, a feat which has not been accomplished by many during the season.

Other stars of the game for the locals besides Miller was Tweedie, with four hits and Mitchell who fielded flawlessly at the hot corner. D. Banks and J. Miller featured at bat for Varency both connecting for damaging four baggers.

Errors — Stubbs 3; Willis 2; Tweedie, M. Peacock. Two base hits, Tweedie, M. Peacock. Three base hits, Montgomery. Home runs, D. Banks, J. Miller. Hits off Miller 8, off Banks 11. Walks off Miller 1, off Banks 3.
