CONFIDENCE NOT EXEMPLIFIED

The affairs of the Village will be administered by the same body of men in 1937 as in 1936. They will proceed with their administration, hoping they have the confidence of the people whom they represent. Yet what definite assurance can they give that they will have the confidence of the people? They might say that they are elected by the people and that it is evident by the fact they were elected by acclamation for another term. In the opinion of the writer, that is not the case. The confidence of the people is not the same as the confidence of the electorate. The confidence of the electorate is the confidence of the people who are eligible to vote. The confidence of the people is the confidence of the people who are not eligible to vote. The confidence of the electorate is the confidence of the people who are eligible to vote. The confidence of the people is the confidence of the people who are not eligible to vote.

HOW TO KILL SLOT MACHINES

The town council of Smith's Falls has found an ingenious and effective way to rid the community of the slot machine and pin game which has become such an annoyance in nearly every Ontario municipality. It consists of a bylaw to declare all slot machines and pin games as nuisances and to require the owners to remove them from the premises. If they fail to do so, the machines will be removed and the owners will be fined. This is a very effective way to rid the community of slot machines and pin games.

SIDE LINDER

THE TOWN LEAGUE

The hockey situation in Jarvis seems to be in much the same predicament as that of the Port Colborne Sailors. The proposed league of Jarvis, Cayuga, Caledonia, etc., seems to have collapsed and Jarvis is faced with the same trouble as the other teams. The league was proposed to be a rural league and the teams were to be Jarvis, Cayuga, Caledonia, etc. The league was to be a rural league and the teams were to be Jarvis, Cayuga, Caledonia, etc. The league was to be a rural league and the teams were to be Jarvis, Cayuga, Caledonia, etc.

Arrested While Attempting to Sell Belting

Port Dover District Fair Will Face Charges Here

William Bannister, 23, and Gordon McKinnon, 20, both of R.R. 2, Port Dover were arrested by Provincial Constables Milligan and MacMillan in London on Saturday when they attempted to sell three lengths of belting at a Queen's Park auction sale.

At the time of the arrest, the police believed they had located the pair they had been searching for in connection with thefts of belting in the Port Dover area.

However, they were wrong and all were brought to Simcoe by Provincial Constables Rex Caverly and will be held pending further investigation into a series of thefts in various parts of the county.
