## CANADA

INFLUENCE OF BRITISH CROWN A great United States newspaper brought two hundred direct queries and one tourist family paid for the profits from the association, the ruler or the subjects. But in the case of Great Britain the answer can unhesitatingly be given that the nation takes all the profit from the

existence of the British Crown."

Public opinion even in Britain, it Relicition of the British Crown.

Public opinion even in British is declared, is scarcely conscious of the extent to which the personality of the extent to which the personality of the world. The writer notes that owing to recent changes in the structure of the task of the firements a greater share of the task of the trucks were in making independent and the security of the world. The writer notes that owing to recent changes in the structure of the task of the firement and greater share of the task of the firement on the roadways and after their young owners leading struck by motor cars. In these days of automobiles and ideal monarch to carry on the duties imposed by post-war developments. His steadiness, loyalty, courage and common sense inspired a selection of the found and made him the focus point of Imperial unity.

The same United States writer declares that the international situ of its deep universal respect for the throne and made him the focus point of Imperial unity.

The same United States writer declares that the international situ of the reporsibility retained in the personality of the world. The world and talks about their days. The gang (left to right): "Porky" Lee, Carl "Alfalfa" Switzer, Joe and talks about their days. The gang left to right): "Porky" Lee, Carl "Alfalfa" Switzer, Joe adopted a safety-first measure indealing with the children of that adopted a safety-first measure indealing with the children of that adopted a safety-first measure indealing with the children of that adopted a safety-first measure indealing with the children of that adopted a safety-first measure indealing with the children of that adopted a safety-first measure indealing with the children of that the children of that adopted a safety-first measure indealing with the children of that adopted a safety-first measure indealing with the children of that and talks about their days. The gang left to right): "Porky" Lee, Carl "Alfalfa" Switzer, Joe and talks about their days and plet to right) it is the circle to right

declares that the international situation is deeply influenced by the personality of the reigning monarch. Europe looks to Britain first of all for stability in leadership. The insteadying influence leaves to the Crown a powerful steadying influence unnoticed by the public but loyally acknowledged by Ministers in power. George, in his quiet way, played his part as universal moderator. "Many times he discreeting a drawers or other hiding moderator. "Many times he discreeting in the sent of \$112,125, Lethbridge was able to pay its way, make all payments of interest and principal to the sink-ing fund and wind up with a bud-test in power. George, in his quiet way, played his part as universal moderator. "Many times he discreeting a working at the time.

Working at the time.

But seriously, can something not be done to stop, or at least minimate, as well as the complete was able to pay its way, make all payments of interest and principal to the sink-ing fund and wind up with a bud-test such a fine souvenir that it would be almost a safe guess to say that tests in power. George, in his quiet way, played his part as universal moderator. "Many times he discreeting a moderator of a many for the rather aliarming total of \$112,125, Lethbridge was able to pay its way, make all payments of interest and principal to the sink-ing fund and wind up with a bud-test such a fine souvenir that it would be almost a safe guess to say that test in payments of interest and principal to the sink-ing fund and wind up with a bud-test way in the few carried of \$112,125, Lethbridge was able to pay its way, make all payments of interest and principal to the sink-ing fund and wind up with a bud-test way in well as the payment of them to carry on.

Lethbridge is determined that, of \$112,125, Lethbridge was able to pay its way, make all payments of interest and principal to the sink-ing fund and wind up with a bud-test way in way and and wind up with a bud-test way its way, make all payments of some \$6,500. No money was borrowed for either curr

as his father. His universal popularity in all parts of the Empire, in the United States and on the continent of Europe makes it certain that he will always be an influence for good and for peace in world affairs. The fact is that he has been trained for this task more thoroughly than any of his predecessors. And, as Mr. Baldwin has said, he has ascended the throne in the prime of his powers.—Toronto Mail and Empire.

KIPLING

Kipling is estimated to have left an estate of over three million dollars. If so the monetary reward which he secured from his works must constitute an authorship record. At the same time his own enrichment of British literature was beyond compute.—Brantford Expositor.

Dr. Blatz, of Toronto, says that six times as much is spent on each of the contained which and the past two years have shown. Enstered in the United States and on the contained white flour, some based in Stratford, as far as If know." The loaf was good to look at, and as we hadn't eaten for several hours we cut off a few morsels and thoroughly enjoyed eating them. Mr. Trickey explained that the flour, some broad and substitute and about fifteen per centsoya bean meal adds materially to the protein value of the bread and helps the loaf to retain its freshness. We took the loaf home and established rations of two slices per day. The last of the loaf was eaten on the fourth day and it was then, in deed, remarkably fresh, having been kept in an ordinary tin bread box. The citizens of Stratford will hope that increasing success will attend to operations of this youngest unit of the city's indusrial life.

Dr. Blatz, of Toronto, says that six times as much is spent on each of the containing soya bean meal adds mentally writes the Toronto Globe.
