One Pig Arrived

Much snow in there.

Roads have been blocked and far-

mers have not been able to get to the city. The pigs which are of 200 lbs. be off and play part in the development of the bacon industry, but the pigs have had a few days more to live or account of the blocked roods.

Driving People Crazy on account of the blocked roads.

four or five hundred people generally stayed, he could, if he desired, have at Bowmanville recently, said that ent of the one guest. Whether it works out that way new patients admitted to the mental with one lone pig turning up at a hospitals in a year. There are many hundred is something on which we who do not get into hospitals. lack definite information. It may be that one lone pig would just have to go in a room and wait until others came to join him. It is rather unlikely he would be shown over the plant, Burton, chairman of the Yarmouth because if he were there might be much about he would not understand ment in a New York paper brought and more still which he would have two hundred direct queries, and one o reason to enjoy.

There is no moral to the story, but son's advertising in goods purchased no reason to enjoy.

just the same that one lone pig which at Yarmouth stores. Direct evidence was taken to the packing plant when of that sort cannot be thrown lightly the roads were blocked had something aside .- St John Telegraph-Journal. ted about him in the papers. Peterboro Examiner.

Elusive Sleep The Dionne babies go to sleep in a few seconds, Dr. Alan Roy Dafoe

testifies. Before the fifth girl has been bundled in heavy outdoor clothes, to first is asleep. Many will envy then this gift. How many insomiacs tossing on beds from Halifax to Victoria would not change places for a while when it is known that Clydebank would not change places for a want with the quintuplets! Blissful rest, how often it eludes us. — Hamilton Catharines Standard.

Doesn't Like Name

You may think it a nice friendly way to call the Pullman porte "George," but he doesn't like it. He much prefers the quite dignified term of "Porter." So says George A. Kelly, vice-president of the Pullman Company, and he ought to know. Moreover, there are a lot of white Georges who don't like the white Georges who don't like the
Pullman "Georges." In fact, reports
Mr. Kelly, they have a society called
the "Prevention of Calling Pullman" the "Prevention of Calling Pullman ive, having several thousand members, each one a real George.

PRESS eems "wropt in mystery." There President Lincoln suggested it Recently Denmark celebrated its tenth anniversary of national radio leorge M. Pullman, mention of whose breadcasting and on that occasion a are called "George." At any rate

It proves to be rather astonishing.

Ton years ago radio broadcasting roads were really prosperous the Pull. was made a public utility. A national man Company gave employment i board of governors was set up and a 11,000 porters, chefs and waiters, but general manager appointed. The ma- at the present time there are only nager operates the system under the about 7,000. The pay varies according direction of the board.

When started there were 28,140 to the job on the trains, but the average is \$90 a month. Those who come to the job on the trains, but the avcontact with the public of cour radio sets in Denmark. Last year contact with the public of course there were 583,109. That is 16.4 per do pretty well in tips, and the met cent of the population. They pay a license fee, as in Britain and Canada able.—St. Thomas Times Journal.
