'hat's why most people are dead at

CANADA Parent's Responsibility

policeman's hair gray in the time is the task of keeping children com coasting in the street. Children continue to slide out among rushing autos—and the result in many cities where snow lies on the roadways, is a series of tragic accidents.

The traffic squad in an Ohio city has thought up a new answer. It is going to arrest the parents of youthful coasters. An old city ordinance, it seems, gives it the power to do scrap metal and the coastity that

it seems, gives it the power to do this, so the police are going to get busy on it.

Scrap metal and the quantity that accumulates must be very great.

And now a solution to the problem

be good, seems to be the idea. The It is our job to sell our attractions. Other countries do it. So should teacher who spends much time in enthan scholarship may be adjudged

this, so the police are going to get busy on it.

And now a solution to the problem has been made available by an English missionary in the Belgian Congo who, according to cable despatches, would be glad to have all the old blades he can get. It appears that he'd be hauled off to court in case Junior went coasting where he shouldn't. — (Guelph Mercury.)

FAREWELL TO NELLY
No longer will it be Mary or Nelly or Nanef or any such names in Italy. Instead, the Christian names will be have to be real Italian ones. So goes forth the edict. There has been a goes for the deceased are expected to much of this Mary for Maria, Nelly for Elena, Nancy for Ama, Flo for Florenza, Eisie for Alice and Peg for Margherita.—(Windsor Star.)

**Rewer of the two hundred boys without homes, who were the guests of Thomas W. Lamont at a Christmas dinner in New York City, did their best to show their appreciation. The one on the right beat his cempanion to the dessert of lee cream.

Plan Far Ahead

A Grove of Trees

It was only a small grove of trees. But standing apart from the rest of the tree world and in a conspicuous place it was important. And now it has been cut down. After braving made farther ahead than at any time being a death in a native family, the demand for any stind of razor blade isses, as all the friends and relatives of the deceased are expected to have off their stiff and wirp hair. Apparently, razor blades have relaced "moral pocket handkerchiefs" as England's chief contribution to the heathen in darkest Africa.—Que. About 25 per cent of those answering a questionnaire on national advertising are reported as saying they the foundation. The one on the right beat his chief restance that he's beat the Christmas dinner in New York City, did Them the despatches, would be glad to have all the old blades he can get. It appears that the Congo natives "yearn" for them and there is said to be "no limit to the uses these lest can find for them. As one instance, the missionary in the legistance of their season the wind pl

There was some grand old mon- circumstances. HOMEWORK AND EXAMS
Homework is closely linked up with the examination system. But examinations themselves are discredited. Other means must be used if the mental powers of the student are to be accurately appraised. The truth probably is that examinations as used to-day are not really for the purpose of testing the pupil, but the teacher. If a large proportion of students pass, then the teacher must be good, seems to be the idea. The natural consequences is that the

STOPS ITCHING In One Minute

For quick relief from the itching of pimples, blotches, eczema, rashes and other skin eruptions, apply Dr. Dennis' pure, cooling liquid, antiseptic D. D. D. Prescription. Thirty years' world-wide success. Its gentle oils soothe the irritated and inflamed skin, thus aiding nature itself to heal the disorder. No fuss—no muss. Clear, greaseless and stainless—dries up almost immediately. Stops the most intense itching instantly. Try D. D. D. now. A 35c trial bottle, et drug stores, will prove it—or money back. D. D. Prescription is made by the owners of Iralian Baim.

The value of the supplies and services obtained by the Continental Congress through the issuance of more than \$241,000,000 of this flat money has been estimated to have been about \$50,000,000 in specie.
