Weed Cutting Week

Week of July 4th - 11th, Set Apart by Proclamation

According to a proclamation which has just been issued by the Mayor of Jarvis, the County of Haldimand, the week of July 4th to 11th has been set apart as Weed Cutting Week in which all citizens of the county are urged to cooperate in making every effort to destroy all weeds.

Every county has weeds but some have more than others and it is largely through the original and enterprising efforts of the citizens of Jarvis, Walpole and other townships, streets, roads and public property are reasonably free from weeds.

It is quite the common thing for certain weeds to be set apart for various features. Weed Cutting Week, Potato Week, Salad Week, Fish Week and so on.

Weeds spread rapidly from farm to farm and because of this fact, weed control is no longer an individual problem but has become a community one.

It is the opinion of the Finance Committee that all weeds can be destroyed in any area by the use of individual effort.

Weed Cutting Week, Potato Week, Salad Week, Fish Week and so on. The idea of Weed Cutting Week in Haldimand county some four years ago, has done much to reduce the weed menace and the urgent need for some special effort on the part of each individual citizen.

With the fourth of July only four days in the future, the Chicago Cubs have jumped the Cardinals and are now on top of the National League heap.

To date the Cards have set the pace, but an inferior staff of moundmen, as compared to that of the Cubs, has had a telling effect.

Frankie Frisch is credited as the greatest hurler of modern times. Dizzy Dean once again is picking the pitcher's choice.
