The sudden shock to nervous people and he want of sleep do not include all forman pollute large areas the following year. There is nothing quite so discouraging for a person who is making a real effort to control weeds as to be living near someone who does not do his duty. The careful tax-payer demands protection and is entitled to it.

Weed inspectors have again been appointed in every municipality in county and the war on weeds is again under way. Every weed that it destroyed means thousands of weed seeds destroyed. Co-operate by pulling, hoeing, spraying, cutting spudding out, plowing and cultivating to destroy weeds and by persuading someone else to do likewise. When school closed on Friday for this term, Lois Lethong on behalf of the pupis of Room 2, of Jarvis Pullic School, presented their teacher with a pair of Maderia Pillow slips as a token of remembrance, and the following address by Billie Duxbury. Dear Miss Meredith:

As this school year closes, we, your pupils wish to convey to you our appreciation of your efforts and many kindnesses on our behalf.

You have given of yourself unsperingly; you have oeen patient with our many faults and we can best express our feelings to you, when we say, we are very sorry you are leaving us.

In whatever sphere of life you are called, may it hold only happiness and prosperity for you.

As a slight token of our lasting esteem, love and friendship, will you please accept this little gift?

Your Pupils.

The teacher, taken completely by surprise, expressed her sincere appreciation and thanks for the lovely gift and for the kindness expressed in the address which would always linger in her memory.
