## The Transient Problem

During this past week, Jarvis has  
been literally flooded with transients.  
They seemed to bloom with the first  
signs of spring that were so evident  
the latter part of the week and then  
when winter prevailed again as King  
they, through sheer force of neces-  
sity, needed the warmth of the fire-  
side where it best presented itself.  
Many citizens have hardened them-  
selves to the daily request for food,  
while others cannot turn away those  
who seek a share of their board. The  
question of worthiness and unworthi-  
ness is a factor that seems difficult  
to decide upon. How are we to know  
who is deserving? We certainly  
have to see that these men are fed  
and if one doesn't do it, it will be a  
matter for some one else to worry  
about because a hungry man will  
never give up and surely no one will  
blame him.

We feel that it might be a better  
idea for the Village Council to ap-  
point a committee with power to au-  
thorize a food voucher to every transi-  
ent who they consider deserving and  
eliminate the many grievances the  
housewife is forced to face on so  
many occasions throughout the day.  
At any rate as long as relief is a  
necessity it should be filtered through  
the pockets of the multitude. Not  
the few.

## Shop At Home

Seldom a week goes by that the  
Village is not flooded with advertis-  
ing literature of some description, of-  
fering bankrupt values to the un-  
suspecting buyer. We don't mind  
picking up a sheet or two of such  
literature and disposing of it in the  
waste paper basket, but when it be-  
comes the form of a twelve page news-  
paper that is published in the City  
of Hamilton and delivered to our  
door by Hamilton employed peo-  
ple, we object, not only because it  
fills the waste paper basket to cap-  
acity, but because we begin to fear  
that maybe someone takes it serious-  
ly and arranges with their neighbors  
to go to the place of advertisement  
and spend a lot of money that should  
be spent right here at home. We  
cannot make ourselves feel that we  
are merely "sour grapes" because  
we fail to get even a square inch of  
advertising from this firm through-  
out the year, but it doesn't seem lo-  
gical to us for this firm to expect  
the people of Jarvis to unwittingly  
become good customers of theirs  
when they offer nothing but the  
"take-all give nothing" attitude.  
When we think of our own mer-  
chants who through the payment of  
taxes and other charitable donations  
benefit the town in general, it is any  
wonder that we feel that a boycott  
is in order for such firms?

## ROCKFORD

(Received too late for last issue)  
A very interesting meeting of the  
Porters School Literary Society was  
held last Tuesday evening with a  
good attendance.  
The President, Clarence Wilson,  
was in the chair. A sing-song open-  
ed the meeting with Mrs. Miller at  
the piano. Minutes of last meeting  
and business followed, when it was  
decided to have a debate next meet-  
ing. A debate "Resolved That the  
Farmer Has A Greater Opportunity  
For Happiness Than The City Busi-  
ness Man" was then taken up. Af-  
firmative, Miss Mary McEwen and  
Clarence Wilson and Negative by  
Wilfred Wilson and Ellis Jeffrey.  
This proved very amusing and en-  
tertaining. The judges, Mrs. Oin-  
stead, Nathan Miller and Harley Ma-  
son decided in favor of the Affirma-  
tive.

After this fair and Andrews and  
Bruce King favored with a guitar  
selection. The next meeting will be  
held on March 17th, everyone invited.  
The meeting closed with the  
National Anthem.

An event of unusual interest took  
place on Saturday evening, Febru-  
ary 29th at the home of Mr. Frank  
Smith, Rockford, when the members  
of the Wm. One Class of Rockford  
United Sunday School to the num-

Miss Maude Allen of American  
Lake, Wash. Mrs. L. L. Merrill and  
Dr. F. L. Williamson of Hamilton  
were callers at the home of Chas. S.  
and Mrs. McCarter on Sunday after-  
noon.

Mrs. L. M. Parsons of St. Thomas  
Miss Frances Eustice of Am-  
strong, B.C., and Mr. Thomas Ja-  
ques of Khedive, Sask. were visitors  
with Mr. and Mrs. J. J. Parsons last  
week.

Miss Lois Holtermann of the Ont-  
ario Hospital, Hamilton and Mr. Bill  
McDonald, of Niagara Falls, spent  
Saturday at the home of the for-  
mer's parents, Mr. and Mrs. J. W. Hol-  
termann.

Sunday visitors at the home of  
Mr. and Mrs. E. A. Wright included  
Mr. and Mrs. C. Stidwell, Mrs. Doris  
and Mr. Harold Stidwell and Mrs.  
John Robertson, of Hamilton. Mr.  
Earl Post, Simcoe and Mr. and Mrs.  
Judson Kinley of Erie.

Mrs. E. T. Carter and Mrs. W. J.  
Holley attended the Hamilton Con-  
ference Branch meetings of the Wom-  
en's Missionary Society held in  
First United Church, Galt on Tues-  
day, Wednesday and Thursday of  
last week, as delegates from the  
Wesley United Auxiliary, W.M.S.  
and the Haldimand-Norfolk Presby-  
terial.

Lecturer (in loud voice) "I venture  
to assert there isn't a man in this  
audience who has ever done anything  
to prevent the destruction of our  
vast forests."  
Man in audience (timidly): "I've  
shot woodpeckers."

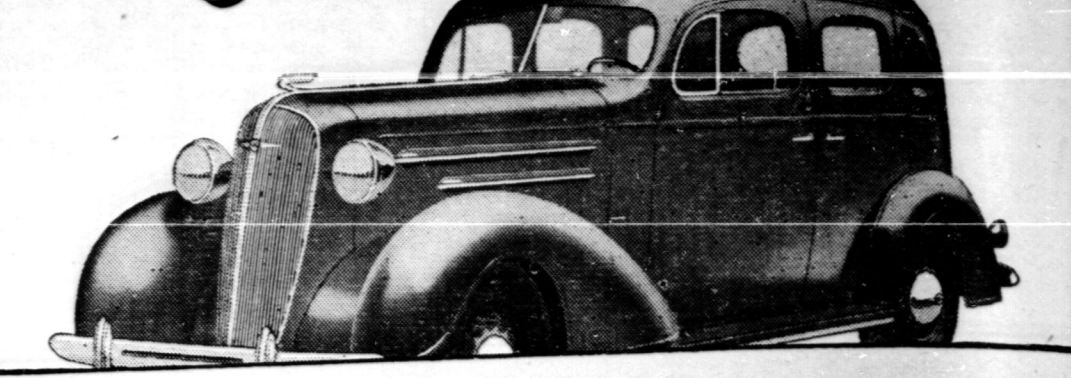

ber of fifty gave Mr. Smith a sur-  
prise in the form of an oyster sup-  
per.  
Mr. Smith on coming home from  
Simcoe, was surprised to see the  
guests arriving, however, he ral-  
lied to the occasion and made all  
welcome.

After partaking of the oysters and  
other good things, a sing-song was  
enjoyed and Rev. Bean, in a brief  
address expressed the pleasure of all  
in helping to celebrate Mr. Smith's  
birthday and called attention to the  
fact that although Mr. Smith had  
passed the 50 year mark he had had  
only thirteen birthdays. Mr. Smith  
replied thanking all and inviting  
them to come again and often. At  
the hour of twelve all left for their  
homes after wishing Mr. Smith  
many more happy birthdays.

even larger number will be on hand  
to participate in this popular sport.

## HAGERSVILLE IMPORTS

Hagersville Villians have been lu-  
cky in securing "Chuck" Silverthorpe,  
of Falconbridge to take the place  
of Howard Aaron as number one  
pitcher of the Quarrytown team.  
Silverthorpe pitched for Brantford in  
1934 and moved to Falconbridge last  
year where he was the leading pit-  
cher of the Nickel Belt Group. Geo.  
Peters, ex-Jarvis Juvenile now,  
man, has also stated his in-  
tention of turning out with the Villians.  
We were rather sorry to hear of this  
Jarvis whether they enter a Juvie  
or Junior team and secondly be-  
cause we feel that if George Peters  
pitched for the local kids and the H. I.  
B. team it would be as long as any  
practically puts that out.

As far as Junior ball is concerned,  
it does not look too good either.  
Port Dover last year's champions, may  
be back in although many of their  
players will be forced to step up this  
year. Cayuga also are go-  
ing to have some holes to fill in 1936.  
Caledonia should have as strong a team  
as any in 1936. It becomes more  
port to the effect that George Peters  
will be with Hagersville "Villians".

With the goods and we certainly  
have been picking a couple of  
years but he has "bounced" out  
this year and probably Peters will  
be successful in obtaining Murphy  
thorpe, pitching corps consisting of  
Smith, Doughty and probably  
Hagersville are after Murphy, the  
Port-Dover, from Selkirk. Murphy  
in the Tobacco Belt League.

## Knocks &amp; Boosts

## SIDELINER

Cayuga defeats Jarvis, Drumbo knocks off Cayuga and now Dutton  
comes along and takes Drumbo for a ride four to three. The way things  
have been going Dutton should lose to Smithville in the finals and they  
probably will considering the fact that Smithville has an unbroken string  
of eighteen victories. It would seem that if we were to champion a cup-  
winning team we would have to pull for our own Red-Wings or for T.M.'s  
Leads. Earlier in the season we picked the Detroit team to win the  
Stanley Cup but it looks as though it were between the Leafs and the  
Maroons, however, we are still hoping. Red Dutton's "amusing America"  
may go back to their amazing ways and capture the battered mug, or per-  
haps Chicago or Boston may come through. There is no doubt in our  
minds that Lord Stanley's trophy will go to one of the aforementioned  
teams.

It seems amusing after a survey of the players that the sports writers  
of the N.H.L. circuit are picking out for the 1936 All-Star team that each  
writer appears to favour the home town team. They all deny this and  
back up their denials with strong arguments. However, when Bill Thoms  
is picked by both Tommy Munro of the Toronto Globe and Edwin Allen of  
the Mail and Empire and most of the other commentators pick either  
Boucher, Smith or Rossman for the centre position, it looks rather queer.  
Doing so badly either? It appears as if Shore, Tony Thompson, Schriener  
and Charlie Conacher are certain of positions on the Mystical team, al-  
though Conacher seems to be slipping a bit.

The forgotten men of the All-Star team are, Moroz, Johnson, Worters,  
Hainsworth, Clancy, Bill Cook, Bun Cook, Lionel Conacher and Neils Ste-  
wart. What an All-Star team these men would have made four or five  
years ago.

The Haldimand Baseball League held their first meeting of 1936 on  
Thursday night last. H. H. Berscht was nominated Secretary of the  
League for the fifteenth year. Jarvis was honoured with the Presi-  
dent, Mr. F. Church being elected. At this time the future of Baseball in  
Haldimand does not look any too bright.

Last year the Intermediate teams entered were Cayuga, Caledonia,  
Fisherville and Selkirk. This year it looks very doubtful if either Fish-  
erville or Selkirk will be able to field a team. It might be a good idea for  
Boucher, Smith or Rossman for the centre position, it looks rather queer.
