

Celebrate Or Fish?

After the Board of Trade decided the to hold a celebration on may the it seems to be generally con-ded that the less ambitious ele-ent of our citizenry will spend the valong the creek banks, or on ment of our citizenry win spend and an opportunity to observe had an opportunity to observe had an opportunity to observe had 2 at the should. We have heard from numshould. We have heard from numshould and the creek banks, or on the lake in quest of the more select denizens of the deep. We had heard from numshould. Detailed the past of the fact so many of our citizens have been involved for the past eight years in making the annual celebration a success, they have never had an opportunity to observe the success of the deep. We had the more select denizens of the deep. We had heard from numshould and the more select denizens of the transported that the Bake this for 15 minutes about 5 spread over it, 1½ cups butter into 1½ cup butter into 1½ cup butter into 1½ cups butter into 1½ cup butter into 1½ cup butter into 1½ cups butter into 1½ cups butter into 1½ cups butter into 1½ cup butter into 1½ cup butter into 1½ cup butter into 1½ cups butter into 1½ cup butter into 1½ cups butter into 1½ cu May 24th as we sincerely believe it should. We have heard from numerous sources that the Nanticoke creek has become overstocked with pike and other choice varieties of the finny tribes, merely because the anglers from Jarvis have not haunted this for so long on May 24th. Well 1936 should afford them an opportunity to fulfill a pent up desire.

Municipal employees have been busy this week gathering up refuse From all reports the citizens took advantage of the opportunity to dispose of rubbish accumulated during the year as it took two days to complete the rounds. It would possibly be a good idea if the Village Fathers declared a clean-up twice a

Altogether the Toronto Leafs are a team capable of holding their own with any International league squad. The infield can pull off as many spectacular plays as the best and the outfield doesn't let them down any. They certzinly size up as a team capable of drawing more than five hundred fans. The management have done all in their power to provide some dred fans at the management have done all in their power to provide some special attraction for the fans. Local players are being encouraged and given all possible chance to make the team. Bobby Porter is an example of this case.

Locally, baseball seems to be picking up. The aspirants to the team are out every night working hard. Manager Creswell is giving everyone at chance in an effort to round out as good an outfit as possible. At this a chance in an effort to round out as good an outfit as possible. At this time the pitching looks like the chief drawback. The management had time the pitching on Ken Fess turning out but as yet he has not put in an apbeen building on Ken Fess turning out but as yet he has not put in an apbeen building on Ken Fess turning out but as yet he has not put in an apbeen building on Ken Fess turning out but as yet he has not put in an apbeen and they are going to get their share of baseball as played by local members.
