However, the usual difficulties in maintaining the team is just as evident this year as ever before, which is due entirely to lack of sufficient finances. Why is it that the financing of a team is always left to the manager? Every cne who has ever had anything to do with the management of a baseball team, knows that the manager must make a personal sacrifice in filling that position and it is hardly reasonable to expect him to shoulder the financial burden as well. Word has been received by the officials of the Haldimand County League that Dunnville wish to enter a team in the league. Although it is a bit leze for action of this sort the officials are considering allowing them to do so. The officials are to meet next week and a new schedule may be drawn up and for this reason Cayuga will not play at Jarvis this afternoon.

Quite a number of fans voiced their opinion that the boys did better than they expected them to. We have a summer of the second that they were playing over their heads. Here's hoping they didn't mean that they were playing over their heads. Sid Cronk the veteran Fisherville hurler got away with murder all afterson. In our opinion Sid never could pitch and yet he was the winning pitcher. Young Ken Fess showed Cronk up as well as the other Fisherville hurlers. Fess' performance was a brilliant effort and he never lost wile hurlers. Fess' performance was a brilliant effort and he never lost wile hurlers.

Several expressions of opinion by public spirited citizens give evidence that they are not anxious to have Victoria Day thus observed and at the present time it would appear that we can fook forward to a gala event on this occasion next year. Dissappointment in not having the annual celebration carried out has been expressed in many quarters. It it therefore hoped that a more united effort will be available when the program is being arranged for 1937.
