Bang's Disease
Live Stock Scourge To Be Studied
Farmers annually lose hundreds of thousands of dollars as a result of a disease which is more prevalent than the average farmer realizes. Bang's Disease or Contagious Abortion of cattle is an insidious malady attacking all breeds and is present in most parts of the province. For some time it has been known to exist in the county of Hagersville, but recent data, it is believed to be more prevalent and on the increase. The condition is such that many farmers are greatly alarmed and have requested assistance in combating the disease.

Firemen and Council Attend Divine Service
The Jarvis Fire Department and the Village Council attended Divine Service on Sunday evening at Wesley United Church. The Body led by the Jarvis Band, marched from the Town Hall. The firemen were attired in their uniforms and presented an impressive body of men. Rev. W. J. Holley, minister, delivered an appropriate sermon and titled his remarks "Which Direction?" His message was an inspiration, not only to the body of men to whom he was directed but to the community as a whole, as they were so truly applying to the lives of everyone.

Beekeepers To Meet
During the coming weeks, Ontario Beekeepers will have the opportunity of enjoying field meetings, which have been arranged in various districts throughout the province. The meetings of most interest to the beekeepers in the county of Hagersville are the meetings at the Larkin Fruit Farms, Queenston Heights, and the one on June 26th, at the O. G. Queenston Farmers' Week. Both meetings will commence at 10 o'clock, A.M., Standard time, with the morning session being devoted to county business meetings. Obituary
ROBERT BAIN
Word reached us early this week of the death of Robert BAIN, who at one time was a resident of this Village and community. His illness was of extended duration. He was born at Stassico, in the County of Caledonia, Scotland, and came to Canada in 1853, after working for farmers in this district he took up railroad work which he continued for nearly forty years with the Grand Trunk and later the C.N.R. holding the position as foreman of construction. Under his guidance the present railway yards at Brigeburg were completed. He married Annie Spratt of Port Colborne forty-seven years ago, and the union four children were born, three of whom with the widow survive his passing. His eldest son, Harry predeceased him twenty years ago.

The Childrens Aid Society
(Old Bill's Own Column, Dunville Chronicle)
Speaking of community endeavor, there is at least one organization which should receive universal support, especially when the fact is considered that this can be done in a very simple manner. For the sum of fifty cents it is possible to become a member of the Haldimand Children's Aid Society. That is the annual fee and as the number of members doubtless is a factor bearing on the raising of the society receives from the Department of Welfare, it behooves everyone who has half a dollar and any interest in the welfare of the human race to join. The raising of such security becomes a matter of public concern because it determines the amount of the grant given by the government. Recently the Haldimand Children's Aid Society was raised to Category C and receives a governmental grant that figures out at approximately \$84,000 a month. The officials of the Society, by their earnest work, have done their part in securing this high rating and a larger grant, and it is only reasonable to expect the public to back them up particularly when so little is asked, both in time and money.

DIED
RICHMOND - Jessie Hallman Richardson at her late residence, Washington, Ont., on Tuesday, June 2nd last, at approximately 10:30 A.M. in her 64th year.
