The Flowing Tide

Being the Popular Report (1936) of the British and Foreign Bible Society, by Rev. John Patten, M.C.

The three main reasons set out by the Milk Producers' Association for the increase in the cost of milk are as follows: 1. It is considered that the cost of milk production has increased in Ontario as a result of the increase in the cost of feed.

On Friday, October 24th, the county officers and local leaders of the "Refrigeration and Furniture Project" held an open meeting at which the work of the year was reported.
