No need to tell you about the great popular demand for new Chevrolets. About the way people are flocking to \$745 buy the only complete car in the lowest price field! But pictured above you see the reason why Chevrolet can keep up with this demand. Behind those brightly lighted windows, for block on block, run the big Canadian plants of General Motors—the long assembly lines where Chevrolet is born. Smoothly as the clock ticks, these new Chevrolets come rolling "off the line"—round and round the test track -through the "fine tooth comb" of a score or more inspections—then straight to you, wherever you live, by train and boat and highway carrier. There's no delay when you order your new Chevrolet. Only Canada's greatest motor car plant could make that pledge and keep it! Buy on low monthly payments on the General Motors Instalment Plan. THERE'S NO DELAY WHEN YOU ORDER
