

MEETING

IN THE INTERESTS OF

Home Improvement Plan

Under authority of the Dominion Government

-: ON :--

Tues., April 27

AT 8. P.M. SHARP

— IN THE —

Town Hall, Jarvis

MR. E. G. STRATHY

DISTRICT REPRESENTATIVE of THE PLAN

WILL ADDRESS THE MEETING

We were very pleased to been the recipient this week of a current copy of the Kirkiand Lake Nothern News, containing an eight page special sheet graphically describing their recent move into a new and up-to-date building.

Up until this time our conception of this paper had been rather vague although we did know it was considered one of the best weeklies in the Dominion of Canada After a careful perusal of their twenty-two page paper, it is easy to realize how justified the Northern News is in claim—

PUBBLIC

Hogs Rail Graded 2.787.

The county stands fifteenth in per careful perparted by officials of the Chemistry Department. Spring part of a general plan following the soil map prepared by officials of the Chemistry Department. Spring grain experiments were laid down in the spring of 1936 while the fall. Average results would in the fall. Average results would be beneficial.

Weed Control
