LOCALS ELIMINATE RENTON AFTER GREAT TUSSLE

Jarvis (1) Holds Rivals to One Hit To Nose Out Two to One Victory in Thrilling Fourth Game.

Jarvis (1) eliminated Renton in not only the lowest scoring game of the season but the best on Saturday night. The game was as near perfect as they come, but one error being committed in the entire fray. Both teams played championship ball and the decision could have gone either way without disgrace to the losing team. The entire series has been a neck to neck race and it took four games to reach a final decision.

Both Horne and O'Donnell were at top form for this crucial tilt but the former can thank his mates for the decision in his favour. At least three times they pulled him out of disastrous holes. Twice it was Pete Hazlett who came through with the all-important plays. In the last of the fifth, which was the final stanza because of darkness, the leftfielder pulled down what looked like an extra base whallop from Fitzgerald's bat with one aboard to end the innings and game.

The locals held Renton to one hit and the run they got was unearned. Both the infield and outfield were forced to be at their best because of the local hurler's wildness. He walked seven in the five innings O'Donnell walked but four, but he was nicked for four hits which coming at the proper time decided the contest. O'Donnell was the only Renton man to get a hit, a double in the first innings. Tweedie, M. Peacock, Mowat and Horne got the local safeties.

SURPRISE! UPSET! BEDLAM!

What I mean, is just exactly that. If the latest happenings in the play-offs of the Haldimand and Tobacco Belt League aren't just about the biggest upset this department has had to report this summer, I'm a flop as a commentator. I've been allied worse. For an example, there is the Hagersville 4—4 victory over Simcoe RED Sox. However, this upset, as they are want to call it, is not so great as it would appear on the surface. For hasn't our Norfolk authority pointed out that the Sox were full of holes, plugged up by (end of quote) such incapables as Eddie O'Donnell (they don't come any better in this league) and the scribe himself, a mere .700 or thereabout hitter. Be that as it may, I along with plenty of others had a premonition. Dougherty, the jinx-man is here again. The upset of the year, however, was the 12—6 victory that the Caledonia Leonards handed to the Dunnville Mud Cats after defeating them in the first series game 16—3. Chuck Montgomery was on the hill for the league leaders and it's rumoured he was pounded unmercifully. To make things much more difficult the Caledonia infield blew up with a great big explosion and bedlam was long.

WHAT'S THIS ? ? ? ?

As I write this call'um on Wednesday A.M. and present it to you today, the Leonards and the Mud Cats are preparing to tangle in the third and deciding tussle, yesterday afternoon. I intend to go to the game yesterday, but find it impossible and I will have to wait until today to get the results. This third game to be played yesterday, has decided which team will represent the Haldimand League in the Ontario play-downs. Hagersville and Simcoe also met this coming afternoon in the second game of their best three of five series. You figure this out and by that time I'll have the results for you.

THE NEW J. & W. CHAMPS

By this time next week, and perhaps before the Jarvis and Walpole Softball League will have a new champion in place of the dethroned Hillmen. Varency and Jarvis (1) met in the first game of the finals on Monday night and the yearly league leaders defeated the locals 11—9. They will meet again to-night in the second game but the "Record" will go to press before the results come in. If Varency wins, it will be the second successive year that the Parkinsonmen have clampened the ardent hopes of the local youths. But, if Jarvis wins the third and crucial game will be played on Saturday evening. The Record carries an account of the horrible scene at the local diamond on Monday evening, so I will not go into that any further. I might add though, that the crowd was very gratifying to Secretary Gordon Saunders and they were fairly liberal with their dimes and nickels and one twenty-five cent piece.

RENTON—JARVIS SERIES HIGHLIGHT OF SEASON

The Renton—Jarvis (1) semi-final series was one of the best battles seen in Mushball circles in these parts in years. It was necessary to play four games before a winner was decided, the first game being a deadlock. They split the next two games and the fourth was a 2—1 decision in favour of the locals. They got the breaks. In the four game series, but thirty runs were scored, the two nines splitting this total evenly. In contrast, the Jarvis (2)-Varency three-game series saw fifty-nine runs scored in all, Varency accounting for thirty-five and Jarvis (2) for twenty-four.

OFF THE PRESS

If the London, England, "News of the World" is a fair representative of Old Country Journalism, American and Canadian athletes have no quarrel with the scribes here. The above mentioned paper says of Charles Hare, British Davis Cupper, avent his match with Frank Parker, of the U.S.A.: "Parker won 6-2 6-4 6-2. Hare was helpless. He lacked courage." It is this writer's opinion that Eddie O'Donnell is not getting a fair break with the Simcoe club. Bill Clarke in his column in the Caledonia "Sachem" praises the work of Elmer Lampman. Bill was a team mate of the Hagersville "Rookie" hurler for some years. Some of the fans as well as others are beginning to wonder where all of these Simcoe ball players are getting their cards. A "suthurn gen-nulmun" advised your correspondent that softball, or as he called it "Diamond Ball" is chasing baseball out of Florida. He hails from within five miles of Haines City, where the Toronto Leafs trained last year. Yes, and the Haldimand "C" loop is still a flop.

4th Inning

Jarvis (1) — Horne opened the innings with a tripple to right field. Leatherdale struck out. Tweedie beat out an infield hit, scoring Horne with the local's first run. Mitchell popped up to second and Tweedie was left stranded when Hazlett was kayoed.

Renton — J. O'Mahony replacing Phillips was out on a close play at first, Mitchell making a great stop of his line drive and recovering quickly to nail him at first by a step. W. O'Mahony popped up to Mitchell C. O'Mahony walked as did E. O'Donnell. B. Brock hoisted to left field.

Stop Reckless Driving!

If you drive recklessly and have not made up your mind to stop it, you are going to find yourself in serious trouble — *soon!* The Department of Highways is determined to put reckless drivers off the road and keep them off. If you need your car in business, stop and think for a minute what would happen if you had your driving license cancelled. You might lose your job. But what is *your job* compared to the *death, crippling,* or *injuring* of a good citizen!

Reckless drivers are criminals going along our highways breaking laws, maiming and killing defenseless people. Our laws are adequate and fair. Obey them and you will keep out of trouble; break them and take the consequences.

ONTARIO MOTORISTS WILL CO-OPERATE

to put reckless drivers where they belong. Here is what to do. When you see a motorist driving in a manner dangerous to the public, take his number, make a careful note of the actual time and place and when you reach your destination write to the Motor Vehicles Branch, Department of Highways, Toronto, giving full details. We do not invite reports of minor infringements of the traffic laws; you are requested to use sound judgment. *We will deal adequately with offenders.*

You cannot say you have not been warned. Stop speeding! Stop cutting in! Stop passing on hills. Stop taking chances of any kind. If you *must* drive slower than the average traffic, keep well to the right side of the highway or use the side roads. Do not block other traffic.
